The Way We Saw It

What will the 1978-79 year here at Union bring? What does everyone expect or hope for this year?

"I'm looking forward to talking and being with friends. I'm going to miss them when I graduate."

Sherri Dragoo

"I'm looking forward to the success of the band this year."

Teresa Mills

"Driving my teachers crazy."

Sharon Halstead

"I'm looking forward to being a senior next year."

Vicky Geis

"I'm looking for a good school year since we have a nice principal this year."

Shawn Hinshaw

"I'm looking forward to the best and neatest graduation in the history of U.H.S. and getting out in this crazy world on my own."

Larry Pierce

For the Rockets, it will be an active year. For some students, 1978-79 will be a so-so year, for others it will be a disappointment. But, all in all, it will be our year, the way we see it.

STUDENTS

"The Homecoming ceremonies are a great part of the school year. They should be continued as they have been for many years. Summer Band is good and a good way for people of the community to be proud of the young people."

Randy Bogue

"I feel that school affects my life in many ways. Your grades have a bearing on what you may become in your life. Extra-curricular activities allow you to meet new people and make new friends."

Marnetta Oakerson

"A lot more activities have taken place this year compared to last year. There have been many more dances that have improved entertainment—wise. More people are doing bigger and better things for the good of the school, which shows a lot for school spirit improvement."

Jeff King

"I really like to dance so it thrills me that we have so many dances to go to. Since there aren't any disco places very close (excluding Farmland) I really appreciate them. The school spirit has picked up a little because of all the new activities going on. Keep 'em Coming!"

Dana Cheesman

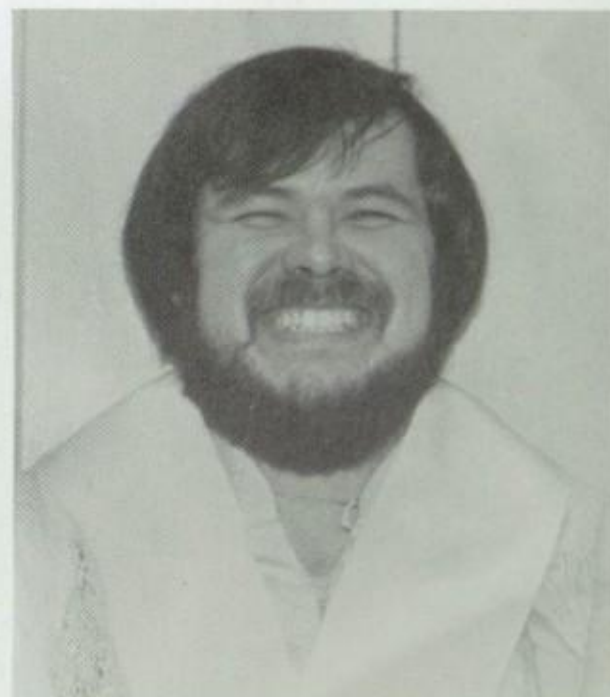

"Well, the play wasn't perfect, but I enjoyed it better than if it were. I think the Drama Club should be commended for their great efforts in entertaining our student body."

Teresa Mills

District IX Sweetheart

Thursday, November 16, 1978
Becky Clevenger, who was FFA Sweetheart in both her junior and senior years, competed in her first competition with twelve other girls for District IX Sweetheart. Becky was victorious in this competition, which included a personnel interview on FFA and current events and a flute solo. We are proud of Becky for representing the Union Chapter of FFA as the first girl from this school to win this competition.

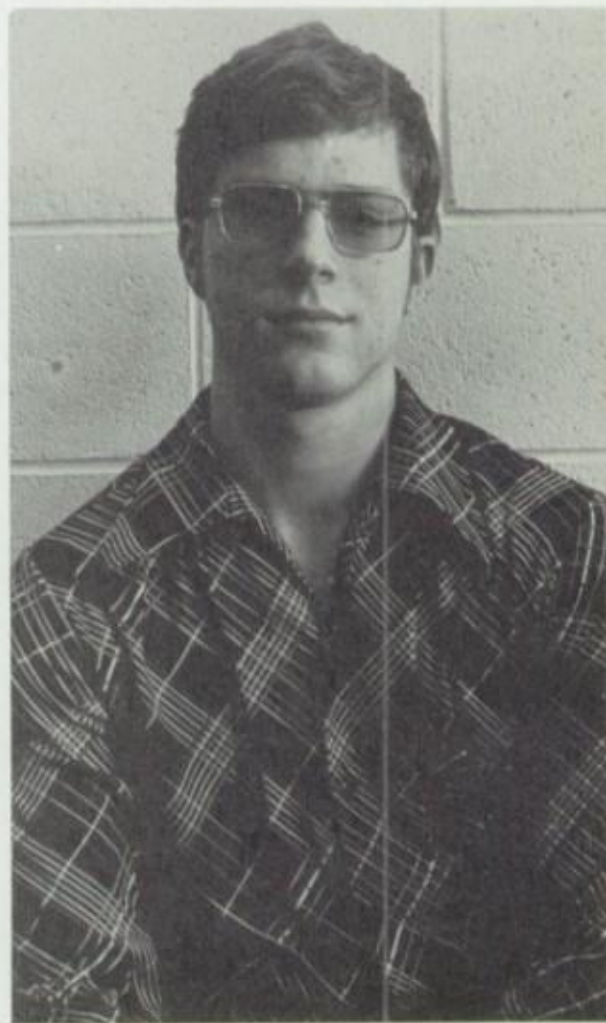

Becky didn't come back empty-handed.

Seniors Attain Academic Honor

Steve Culy

Union High School was very proud to acknowledge two seniors for their efforts in the National Merit Scholarship Competition. James Blount and Steve Culy were semi-finalists and both advanced to finalist standings. This is quite an achievement considering that of the one million students who take the PSAT test only 15,000 reach semi-finalist standing. Of these only 14,000 reach finalist standing and are eligible for Merit Scholarships.

The years 1978-79 were filled with many different fads and "in" things. During this school year, we have seen many people who have jumped on the bandwagon and had their hair permed or bought spike-heeled shoes. There are many so called "fads" that people go through every year or season. Last year everyone wore cowl necks, scarfs, and straight-legged jeans. Hair combs and stick pins were also very popular. Disco

dancing grew up here at Union with the "Classy Chassy's" becoming a hot group. This also inspired some of our own students to start rock-n-rolling on their own; they called themselves "Backroom".

Pictured are some of the many popular ideas that we have shared. Whether fads are good or bad, they are things that go together to make the year more unique.

Do You Remember These?

Honor Day was held on Monday, May 14, 1979. Many students were awarded honors for outstanding achievement in various classes and recognized for being teacher and office aids.

Among the graduates honored: Renee Shore and Larry Pierce were Valedictorian and Salutatorian, respectively.

Steve Culy (National Merit Finalist), Jeff King, and Larry Pierce all received the John D. Wilson Scholarship.

Robin Cross received the four year Alice and Gordon Jordan

Scholarship to Ball State University.

James Blount (National Merit Finalist) received the Alumni Assn. Scholarship.

Teresa Mills received the Classroom Teachers Scholarship.

Randy Bogue received the James Moorman and Student Council Scholarship.

Sarah Goolsby received the P.T.O. Vocational Scholarship.

Kim Kennedy received the P.T.O. Academic and a Merit Scholarship to Western Kentucky University.

Renee Shore received the John Phillips Sousa Award.

Renee Shore was Valedictorian of the Senior Class.

Robin receives the Alice and Gordon Jordan Scholarship.

Larry Pierce was one of three to receive the John D. Wilson Scholarship.

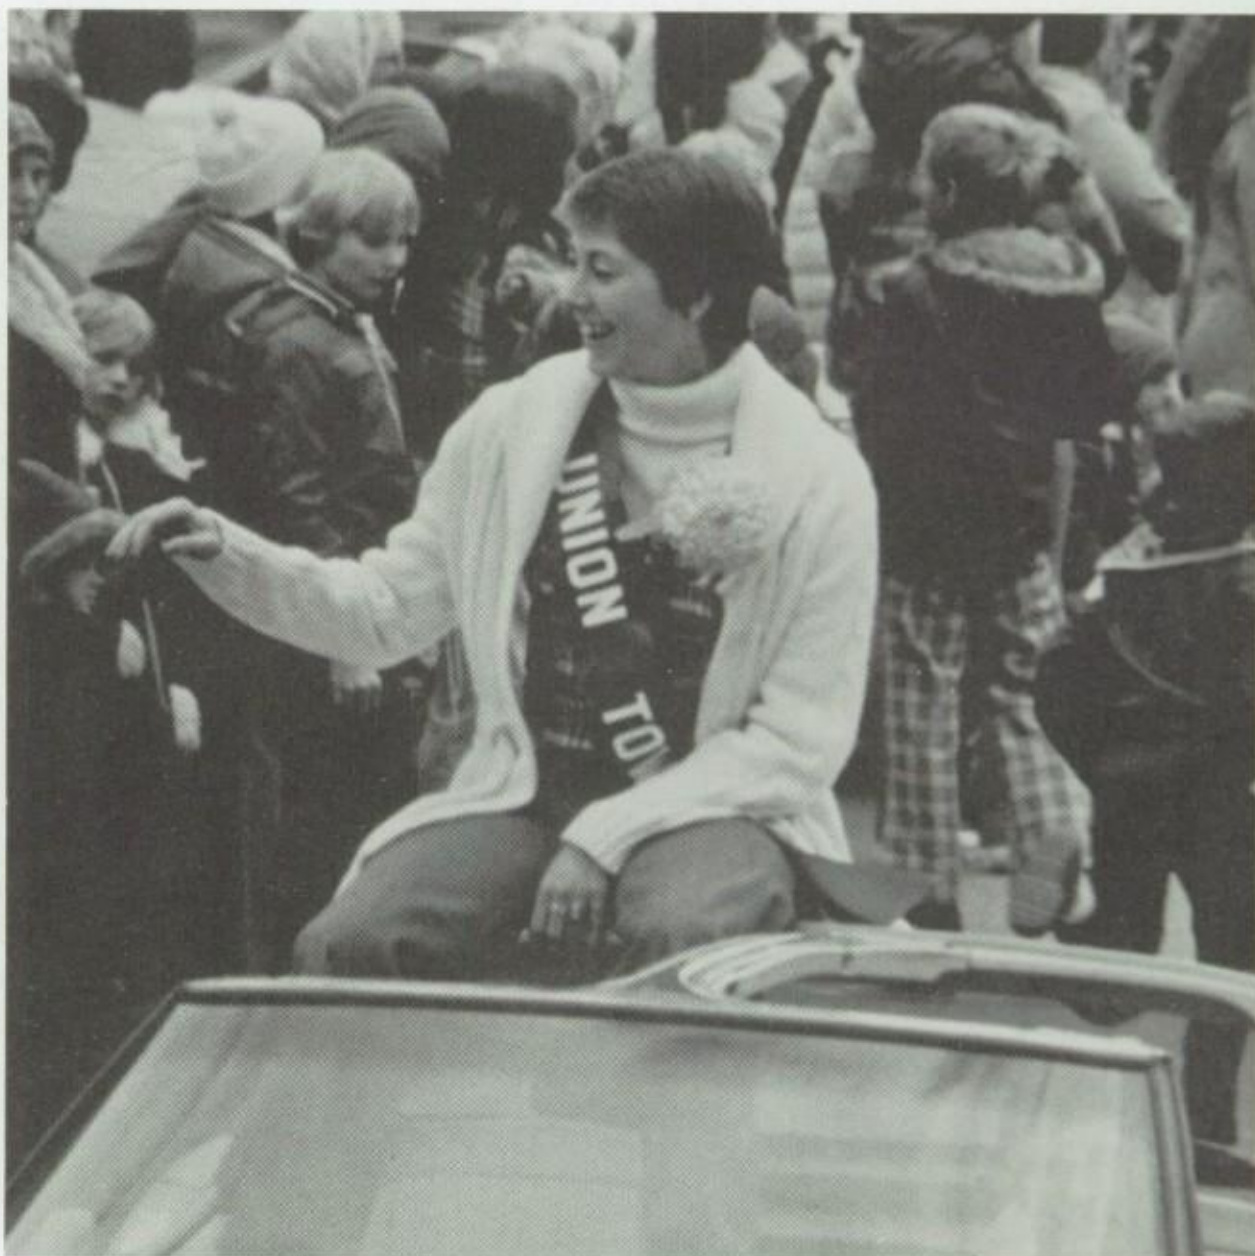

Mardi Gras '78: A Night to Remember

The Mardi Gras of 1978 provided as much excitement and entertainment for the contestants as it did for the spectators. Ten girls representing the five Randolph County schools participated in the event. The contest included street clothes, swimsuit, formal evening gown and talent competitions.

Candidates from Union were seniors Robin Cross and Deborah Butler. Robin's talent was a clothing demonstration of garments she had made, and Deborah's talent was reciting a poem she had written, entitled "The Past". Robin placed as third runner-up in the over-all competition.

Jack Underwood of WOWO Radio, was the emcee for the second year in a row.

The 1978 Mardi Gras is gone now, but to those it involved, it will always be cherished as a special event in their lives.

Deborah seems to be having a fun time while riding in the parade.

Summer Band

On July 28, 1978, the Union High School summer band under the direction of Wayne R. Hinkel placed second out of 14 bands in class B at the Delaware County Fair. The band came home with a trophy and \$350 to show for their appearance. This is Indiana's second largest band contest.

On July 29, the band moved to the Winchester Old Timer's Festival, the contest of champions. Again they came home with second place honors of a trophy and \$500.

On July 30, the band went to Portland. They knocked heads with six class A bands in open competition for the third straight Year. Union is the only class B band in the contest. They placed seventh and received a plaque and \$75, and were very proud of their performance. The band also prides itself in being the only class B band that shows up after being invited.

The band prepares to take a practice run through the show.

Homecoming '79

The Homecoming was held on January 26, 1979, between the B-team and varsity games with Shenendoah.

Voting for Queen and King candidates was done differently this year. Instead of the penny voting system, there was a combination student and penny vote.

Candidates for Queen were: Senior, Tammy Brooks; Junior, Julie Hershberger; Sophomore, Michelle Beaty; Freshman, Cindy Compton.

Princess candidates were: 8th grade, Jenny Usrey; 7th grade, Beth Coyner.

King candidates were: Senior, Steve Gregory; Junior, Keith Beaty; Sophomore, Evan Allamon; Freshman, Kevin Poore.

Prince candidates were: 8th grade, Doug Shore; 7th grade, Mike Brewster.

Tammy Brooks and Keith Beaty were named Queen and King while Jenny Usrey and Doug Shore were named Princess and Prince.

On November 10, 1978, the Union Drama Club presented **EDIE-ACROSS-THE-STREET** by Patricia Clapp.

The three-act comedy gave a positive picture of American young people as they brought a new-comer out of herself and helped her recover from a psychosomatic paralysis.

The cast of characters were as follows:

Jane West	Donna Mullens
Edie Breck	Sherri Dragoo
Dan West	Kevin Barton
Jim Bradley	Marty Grubbs
Sally Sloan	Kathy Barnett
Peg Sheridan	Cheryl Sanderson
Dex Tracy	Scott Wiles
Roxanne Wiley	Vanda Myers
Mark Patterson	Randy Fisher
Mary Platt	Kim Terrell
Sue Platt	Kim Glaser
Linda Stewart	Leslie Meese

Mrs. Thornburg was well pleased with the result of the group's effort and audience response.

Juniors and Seniors Enjoy an Inspiring Evening

The 1979 Junior-Senior Prom was one of the most successful ever. The Juniors put a lot of hard work into making this prom the best.

After the dinner, Kerry Oren read the Senior Prophecy. Judy Culy then read the Wills.

The band "Abacus" supplied the music for the dance.

Renee Shore and Larry Pierce were crowned Queen and King. Dawn Shore and Keith Beaty were crowned Princess and Prince.

Each Dawn Brings a Rainbow of possibilities

The Commencement exercises were held on Friday, May 18, in the gymnasium. The 57 seniors of the Class of 1979 bid their adieus to UHS in a very fashionable and entertaining manner.

The guest speaker was Mr. Mike Jackson, a graduate of Purdue University. Mr. Jackson delivered a very powerful and moving

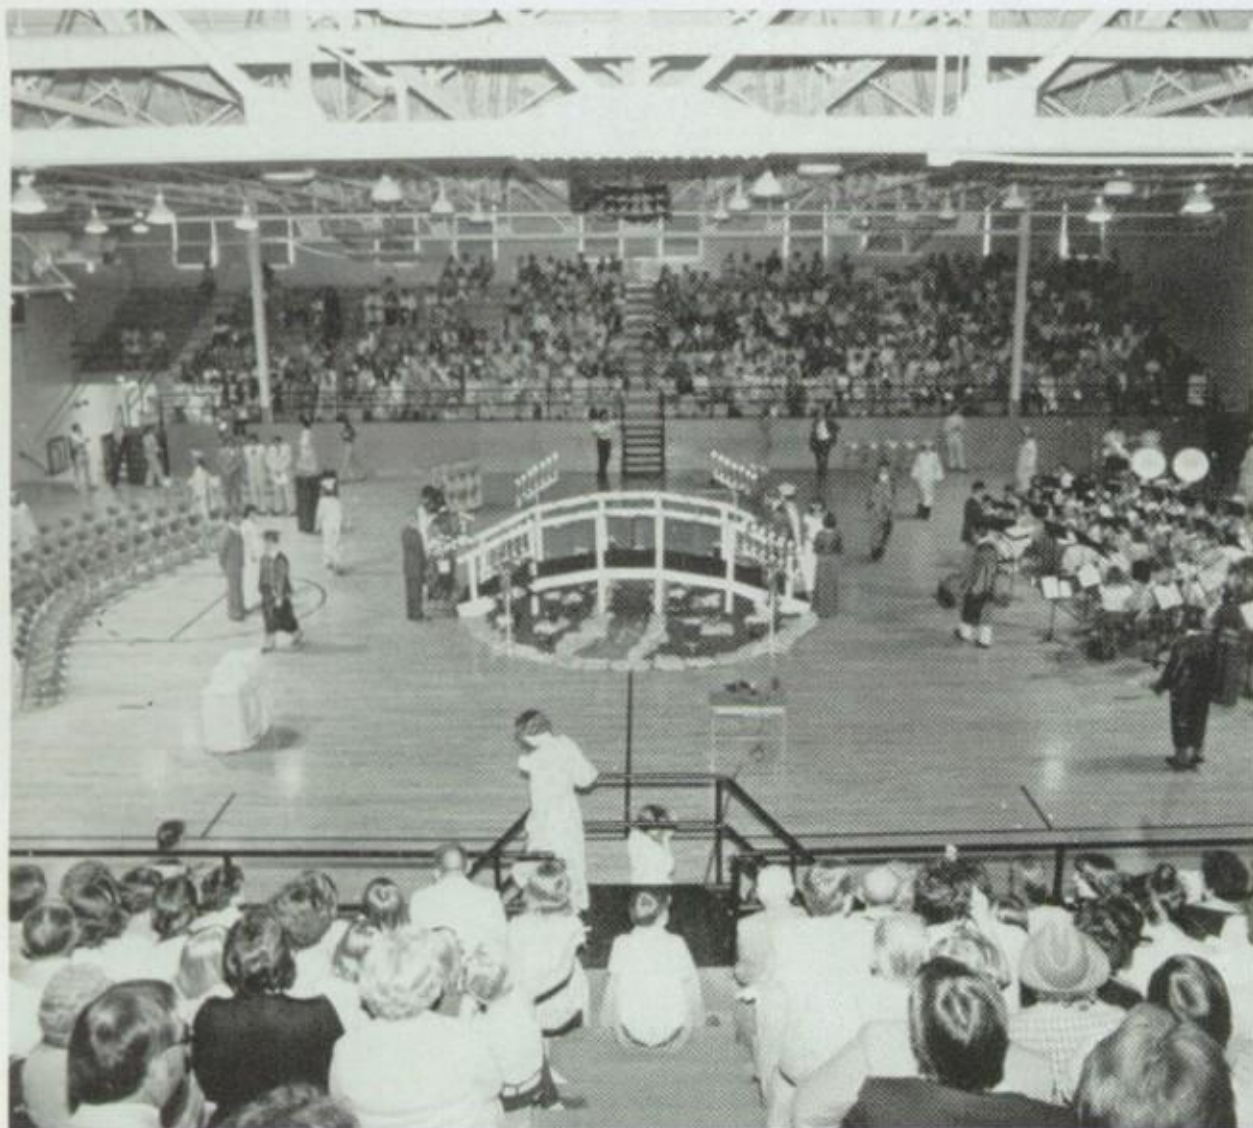

address.

The award-winning UHS concert band provided the music for the evening and the seniors compiled a very interesting slide show.

The evening was filled with a mixture of emotions for the graduating seniors. Many were overjoyed to be able to go forward and attempt to attain goals they had

set for themselves. But, most were sad, for although they were starting anew, they were leaving many friends and cherished memories behind at UHS.

The evening will be remembered and cherished by all of the members of the Class of 1979 for the rest of their lives.

CLUBS

"I like Spanish Club because everyone is friends with each other and because I have a good time being in it."

Dana Cheesman

"Being in FHA gives me the opportunity to meet more people and make new friends."

Marnetta Oakerson

"We have had exciting field trips. The Art Club has done things for the school, like painting the hallway."

Vicky Geis

"Latin Club is fun. It's very hard, but it increases your vocabulary."

Sharon Culy

"You get to be in a lot of judging contests which other people don't get to do. The FFA is fun. A lot of people think the initiation is hard, but really it's fun."

Greg Hall

"Letterman's Club really helped the school this year by repairing the locker rooms."

FHA Has Record Breaking Membership

FHA: ROW 1: R. Cross, (President); L. Driscoll, (Vice-President); D. Shore, (Secretary); A. Williams, (Treasurer); Miss Wagner, (Sponsor). ROW 2: V. Myers, (Recreation Leader); C. Brumley, (Song Leader); B. Lindsay, (Senior Representative); M. Oakerson, (Junior Representative); C. Harris, (Sophomore Representative); L. Beaty, (Freshman Representative).

Initiation for new members included dressing like a baby during a school day.

FHA has been very busy with their annual events this year. Their sponsor, Miss Wagner, who served her first year at Union High School, led the club in many activities. The activities and the chairmen of each include: FHA initiation—M. and L. Beaty; Christmas Carry-In-Supper—V. Myers, C. Brumley, S. Courtney, and V. King; FHA-FFA Sweetheart Dance—both clubs; Teacher Appreciation Day—M. Oakerson; Easter Egg Hunt—B. Lindsay, L. Hooper; Mother-Daughter Banquet—S. Goolsby; Winter Shopping Trip—

R. Cross; Daddy-Date Night—J. Jones, A. Whealy; Car-Wash—C. Brumley; Senior Slumber Party—K. Kennedy.

For money-making projects, the club sold Christmas wrapping paper before Christmas and M & M's shortly after. At the carnival, S. Culy was in charge of the jail. The year was then completed with the final event of the year, the Kings Island Trip which was planned by L. Driscoll.

The officers and sponsor would like to thank all who participated and made the year possible.

Agriculture: A New Frontier

Our FFA Chapter was very busy this year. The members were involved with many different judging contests. The teams were very successful and some of the participants went on to state contests. Mr. Norris was very pleased with the chapter and felt they did a good job.

The Chapter had its monthly meetings during activity period D. Aside from the regular meetings they had special meetings for officers and before contests. The members sold garden seeds for their money making project this year. They also helped sponsor the FFA-FHA Sweetheart dance.

Student Council Holds Homecoming

King and Queen of 1979, Keith Beaty and Tammy Brooks.

The Student Council members held the annual Homecoming and the Senior Honor night on January 26, at the Union vs. Shenandoah varsity basketball game. The Student Council members held a disco dance after the game. The Chastain brothers, the "Classy Chassy", was the featured band for the evening. Many students thought this was a very enjoyable dance, and they look forward to more in the future.

National Honor Society

The National Honor Society was first established at Union in 1958, with only 21 in the chapter. To this date, 320 members have become involved. To be eligible, you must have completed your third high school semester and have obtained a B+ grade average. You must have a high standard for attitudes and personal characteristics, and have participated in a given number of school activities. It is considered a great honor to be asked to become a member of the National Honor Society.

They were also involved in several events throughout the year. Their winter trip was a tobogganing ride at Pokagon State Park in Angola. May 7, a dinner was held for the 15 new members at the Blue Roof Smorgasbord in Fountain City.

On February 25, the members of the society received their sweaters. Marnetta Oakerson receives hers.

Busy Year For 4-H'ers

The Henry County 4-H'ers held their meetings every two weeks at the Blountsville United Methodist Church. All of the members participated in the 4-H Fair in New Castle, Indiana.

The Randolph County Girl's 4-H club had a new sponsor, Miss Wagner, this year. The girls learned many new skills in areas such as cooking and sewing. The girls participated in the Randolph County Fair in August.

This year the Randolph County Boys 4-H had 80 members participating in 12 different projects. They held their meetings once a month. The Randolph County Fair was held during the week of August 5-10, 1979.

Boys Added To Form A Mixed Choir

The Girls Ensemble added boys to its singing group this year to form a Mixed Choir. The students did not have a particular period in which they could practice so making practices depended strictly upon the students to come to the outside rehearsals. The Mixed Choir was not able to participate in the Music Festival at Richmond in April because it had been scheduled during Spring Vacation. The Mixed Choir was first to perform in the Spring Music Festival here at school May 4th.

Drama Club Works To Perfection

In the play production "Edi-Across-the-Street", Scott Wiles is having second thoughts about these two girls.

The Union Jr. Sr. High school drama club was very active in working hard on a play production which they presented to the student body during the school hours. There was a very good turnout at this activity. Even though there were not a lot of the old members back, the club was very interesting. They worked hard to achieve the goal which they had set at the beginning of the year.

The Union Chess Club competed in the state chess regional at Ball State University on March 3, 1979. Both teams did well at this contest. The "A" team consisting of C. Mapes, S. Culy, M. Barnett, and R. Bogue finished 12th out of 24 teams. The "B" team consisting of J. Blount, S. Goolsby, D. Oakes, and J. Curtis finished 20th out of 24 teams. Our school was well represented.

Along with the Photo Club, the Art Club participated in the canoe trip to Metamora State Park. For a money making project the Art Club held the best-ever Art Club dance on November 18, 1978.

The Randolph County Art Show was held at Monroe Central with Jeff King receiving high awards.

The Awards Banquet was held in Winchester and the club honored many members and all Senior Art students.

At the Cornfield County Carnival, the club sponsored a painting booth. Customers received decals painted on their skin with water colors by the club members. Helium balloons of all sizes were also sold. This booth proved very successful.

Spain

Wait, you forgot something!

Fifteen students and five adults vacationed in Spain during spring break which was the week of March 29th to April 6th. The students who traveled to Spain sold concessions at Jr. High and Girls basketball games. The activities in which the rest of the club participated in included the cook-out and initiation, bowling party, and dinner at One Accord. Money-making projects were the Cornfield County Taco Booth, A Hole-In-One in Cornfield County at the Carnival, and the selling of M&M's during the year.

Latin Club expanded their activities this year which began with their annual banquet at Duff's followed by a current movie at the Delaware Cinema. They were kept busy the second semester with a winter party at Everett Lumpkin's pond. It included a cookout, ice-skating, tobogganing, sledding, and snowmobiling. On March 27th, they had a pizza party at Noble Roman's and ate 10 twenty inch pizzas. The Latin Club sold cotton candy at the carnival and had a picnic at New Castle park in May.

Health Club Learns C.P.R.

The Health Career Club was quite busy this year. Mrs. Hill, the sponsor, took the girls to Winchester so they could participate in the C.P.R. Training. They also participated in the Health Career Day at Butler University in Indianapolis.

For the carnival this year the club held a disco dance in the rec-room in the gym. They made \$125.80 at the carnival, making them a second highest earning booth at the carnival.

On the last day of school they went to Muncie to eat lunch and visit the Ball Memorial Hospital to look at their facilities.

The Lettermen's Club started the year off with their annual pop bottle drive as their money making project. Also, they added a touch of improvement to the school by painting and carpeting the locker rooms. Officers were: Jeff King President, Chris Shore Vice-President, Dennis Pitman Sergeant at Arms, and Judy Culy Secretary. The sponsors were Mr. Hall and Mr. Ross. The Lettermen's Club held a dance "Spring Jamboree". The music was provided by some members in the club. Jeff King, Gary Coats, and Bill Brown made up the group called "Backroom". Many compliments were spoken of them.

CLASSES

"After going to three different schools I can say I'm very satisfied with the classes here. The teachers try to make most of the classes more interesting than at other schools."

Vickie Cowan

"Classes are much better here because otherwise you have a more difficult time choosing a class from all the choices. If you did want to take a class in a special field there aren't that many choices here. For myself, I like it better because there isn't as much confusion."

Anonymous

"I am satisfied with the classes offered here, but I feel we should have more to offer the students. I feel that we do benefit more from the classes here than you would in a larger school because the teachers have more time in a smaller class."

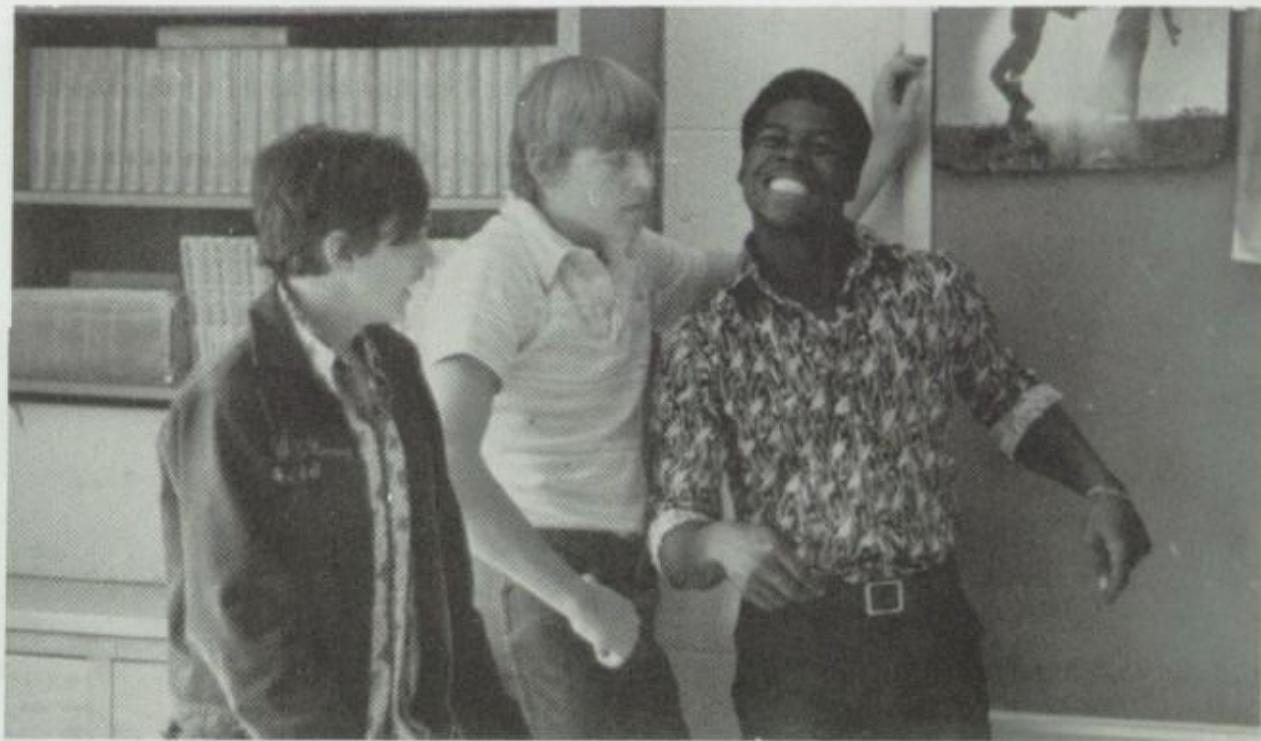

Cindy Pitman

"I am satisfied with the classes we have now, but I would like to have a few more choices to choose from. Some people would like to take a class that they are good in but it isn't offered here. If I were in a larger school I probably wouldn't learn as much and the teachers probably wouldn't have time for me."

Exploring The History Of The English Language

Writing themes, analysing books, studying expression, doing practical writing, and reading for enjoyment were just a few of the things accomplished by the English classes. There was a new addition to the English department this year. Mr. Seiple, a professor from I.U. East, taught a group of college bound seniors a college level English course.

Learning the Proper Techniques For Speech and Drama

Kim Terrell participated in the Randolph County Division Soil Water Conservation Department's Annual Speech Contest. The title of her speech was "Farmers Want Their Prime Farmland". She won first place there and at the District Contest held in Muncie she received second prize which was a plaque.

Speech class was very busy this year. The students wrote many speeches on various topics and presented them to the class. They had a contest, which was judged by three other students, on impromptu speaking. They also held debates on current controversial issues. They were required to do research before they gave their speeches. Everyone felt the class was very beneficial and would be useful to them in the future.

Many weeks of practice go into a good play.

The main interest of Drama class was presenting the school play. Class members were involved in building flats, getting props and setting up the stage scenes which gave them more insight to the aspects of drama. After the play was completed, they read plays and skits and presented them to the other class members. During the year, the class saw "Bye-Bye-Birdie" which was presented by Delta High School. The class was very impressed by the facilities there. The students felt this was a very valuable experience and would remember it for the many years to come.

The main goal of the Psychology class this year was to better understand ourselves and others. A few of this year's highlights included a visit with Mr. Stephen's baby during the child development unit and a "parent" day when three mothers came to class and discussed their "parenting" views with the students. The class finished the semester by examining what they value and how their values differ from other people's.

Mrs. Reeser serves her first year at Union High School successfully.

The Sociology class at Union High School this year studied social problems, different cultures, and marriage and its meaning. They also participated in a handicap day. Each student was given a different type of handicap and experienced the difficulties handicapped people face every day. The class felt this was a very valuable experience. By using a lot of class discussion, hopefully, the class members were made aware of how they and their classmates can better fit into society.

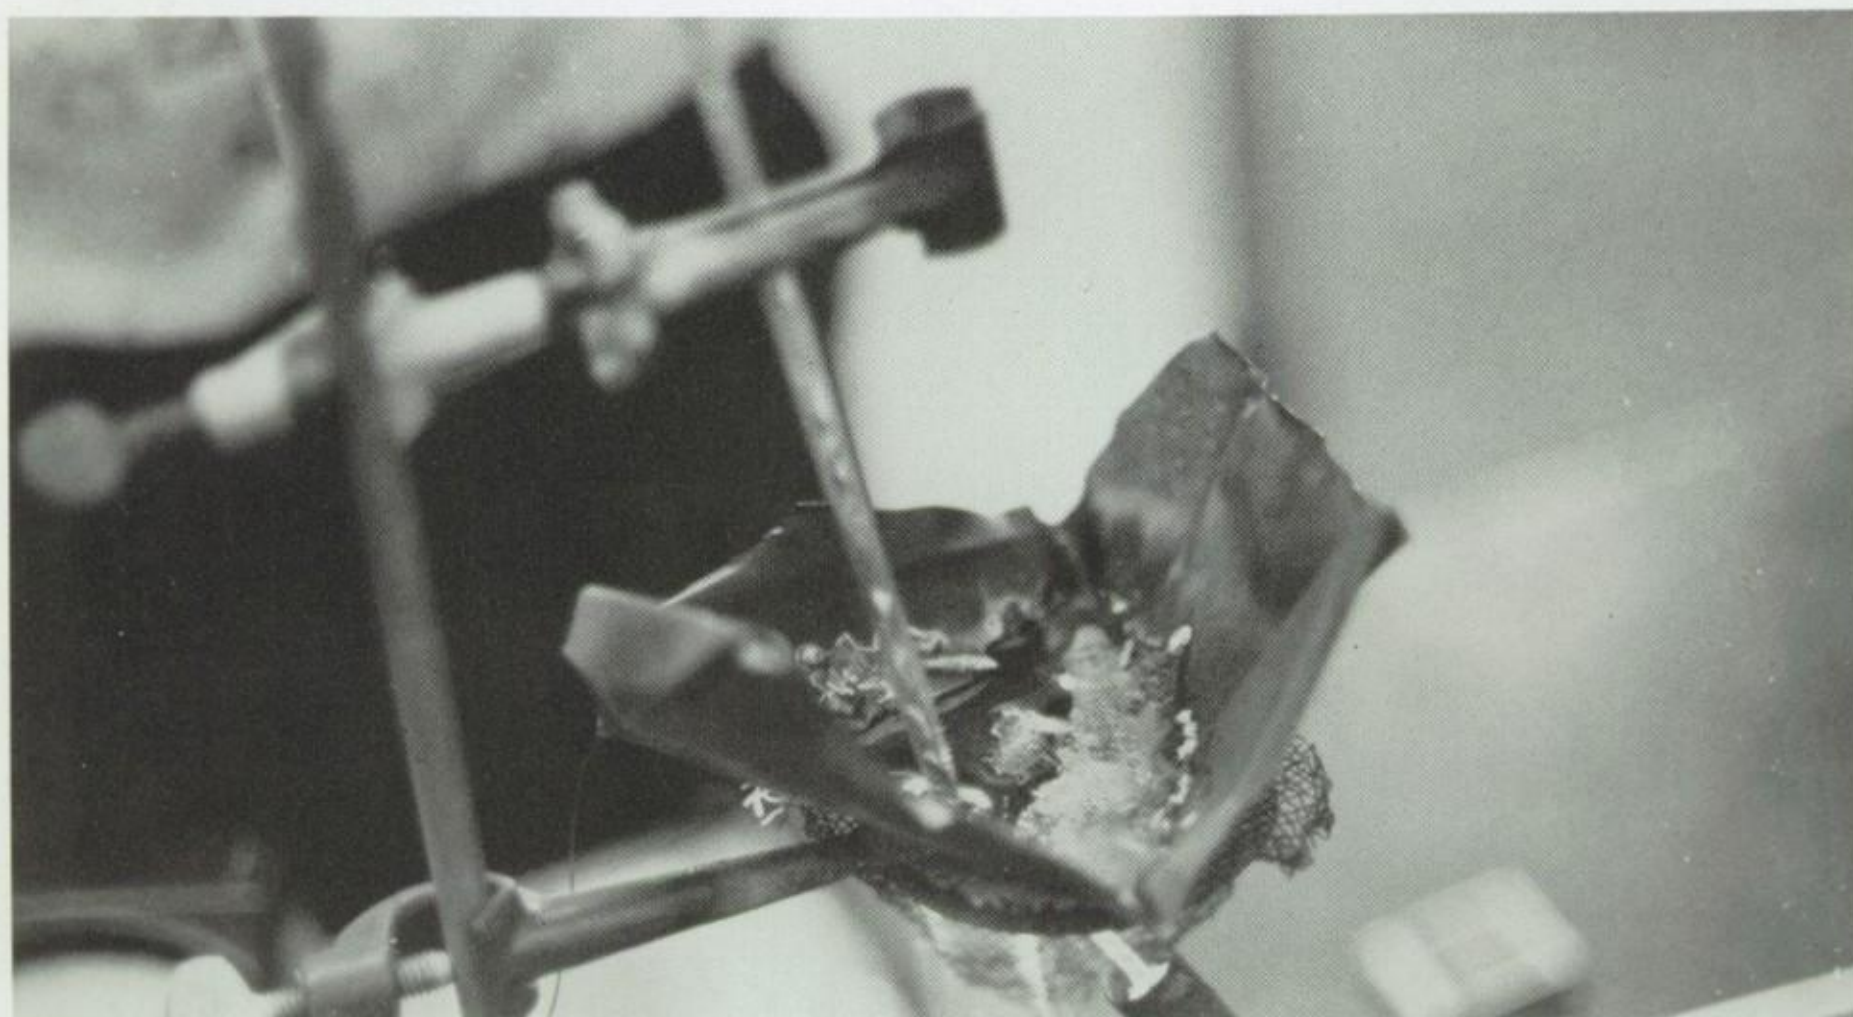

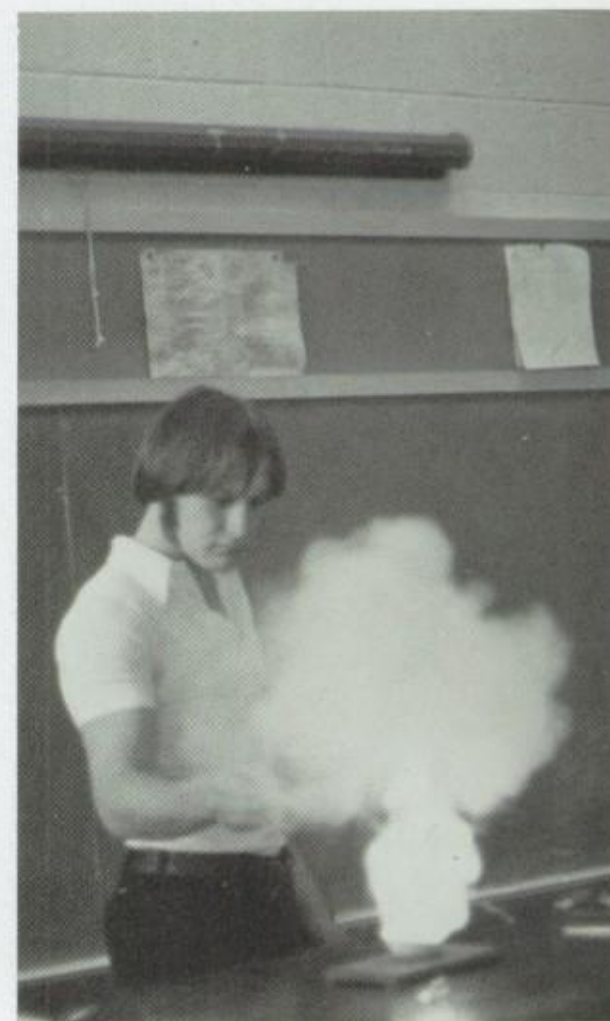

Unraveling

Mr. Blinn, being the only science teacher at UHS this year, taught all classes in Biology I and II, Chemistry, and Physics. The Science Club went to the Ball State Planetarium last fall, put on a Chemical Magic Show in April, and took a trip to the Cincinnati Zoo in the spring.

Meanwhile, back in the lab, the Biology I class got a very general education in biology and did simple dissections. Biology II got into more advanced cutting and scraping by dissecting sharks, frogs, and fetal pigs. The chemistry class studied the basics of chemistry and spent most of the year unraveling the mysteries of chemical equations. Small but hard-working, the Pysics class studied mechanics before moving on to optics and wave mechanics.

Math: Are Those Problems Really Worth It All

This year's Math classes were trying and maybe even challenging to those who participated. There were fundamentals and different meanings to know and learn in each class. There were five separate courses this year but taught by one tremendous teacher, Mrs. McGuire. The General Math class consisted of reviewing operations of whole numbers, fractions, decimals, percents, and measurements. The Algebra I and II classes have solved equations, inequalities, polynomials, square roots, graphing, probability, and statistics. Algebra II has studies in greater depth logarithms, sequences, and quadratic equations.

The second period Geometry class has gone over points, lines, planes, angles, transformations, proofs, circles, polygons, areas, and volumes. Last but not least, the mighty Seniors have successfully completed Trigonometry, Analytic Geometry, and Calculus.

It has been a long hard year, but worthwhile. May the upcoming classes have the encouragement behind them and a lot of luck throughout the years.

Pupils Learn From Now And Then

Economics, Government, and History were taught by Mr. Ross. The students studied the past and the future. They studied the constitution, structure of the United States, taxes, insurance and consumer buying.

Government and Social Studies were taught by Mr. Terrell. The senior Government class traveled to Indianapolis and took a tour of the Capitol Building. The students found the building very impressive and enjoyed seeing how hard our Senators work.

Commercial

Mrs. Teal had another busy, yet exciting year, teaching business. Her small typing classes learned how to type business forms, letters, invoices, index cards, and fill out forms for employers as well as for the government. They learned the principles concerning large and small companies.

Mrs. Eldridge was in charge of several business classes including Accounting I, General Business, Junior High Business Survey, and Business Law. The General Business class learned about careers, consumer protection, and the current trends in our country's economy. In the Business Survey class the students were introduced to banking credit, insurance, shorthand, world travel, and governmental services as these areas apply to the business world.

Sherri watches as Connie works on her assignment diligently.

Business Law was a one semester class in which the rights and responsibilities were reviewed. The fulfillment and requirements of contracts as well as the laws governing land ownership were considered in relation to the future needs of the students.

Many practical applications were discussed in all of the business classes. Films and guest speakers were utilized in order to help the students see real life applications of the things that they had read about in the textbooks.

The band members polished their field show and presented it at a Taylor Univ. football game and the Winchester Marching Band Festival in addition to their performance at the ISMA Semi-State Marching Band Contest, where they won both the Sweepstakes and the Inspection trophy in Class C.

On October 28, the UHS Band won its highest honor to date by placing third in Class C of the ISMA-NISBOVA State Marching Band Contest in Terre Haute.

The band continued to generate excitement at the Varsity Basketball games by playing pep band music. During the spring, the Jazz Ensemble played along with the Concert Band at the Spring Music Festival and the Alumni Banquet. Flags Do It On Their Own

The flag corps worked hard with the band during the fall to prepare for the ISMA semi-state and state contests. Then they broke away to concentrate on their own shows. They marched at four home basketball games, making up their own routines! On March 24, the flags participated in the ISMA Auxiliary Unit Contest at Franklin High School where they received a superior rating.

Vocational School

These few vocational students attended the New Castle Area Vocational School. Most of them received on the job training. D. Butler received a job in a florist shop, and D. Oakes received secretarial

training. Some of them had to attend classes at New Castle because there was no job in which they could learn the trade they desired. Naming a few of them are: T. Raby—machine shop class,

Helping Teachers Out

Cadet teachers were responsible in the classroom. The responsibilities given to the cadet teachers varied from teacher to teacher. Some were asked to teach the class a given subject sometimes as much as once a week, do room bulletin boards, and then of course, all of the cadet teachers graded some papers.

Helping teachers and younger students, like they did, will be advantageous to those who want to further themselves in the teaching profession. Cadet teaching also gives the students a better understanding of what elementary teachers have to go through when they teach students.

Confidence In Self-Expression Produces Art

The art classes are quite different from any of the past years. The students created anything from silk screens to jewelry. This year five students attended Herron Art School.

The art department has added two new weaving looms, and a new field of designing called photo silk screening. At the Randolph County Art show our students entered in Photography which is a new category for Union.

Physical Education and What It's All About

The P.E. classes were taught by the following teachers: Mrs. Eckhardt for the girls along with Mr. Hall and Mr. Herzog for the boys. They were mostly involved in team sports and concerned with physical fitness. The Advanced P.E. students participated in tennis and badminton.

Mr. Herzog had his class divided into two separate parts. One half of the class worked on a wrestling unit with student helper Doug Hill and the other half with basketball fundamentals. Mickie Burton and Troy Smith helped with these students. We're hoping for a good year next year and adding extra activities to our program.

Studying Inter-Workings of the Human Body

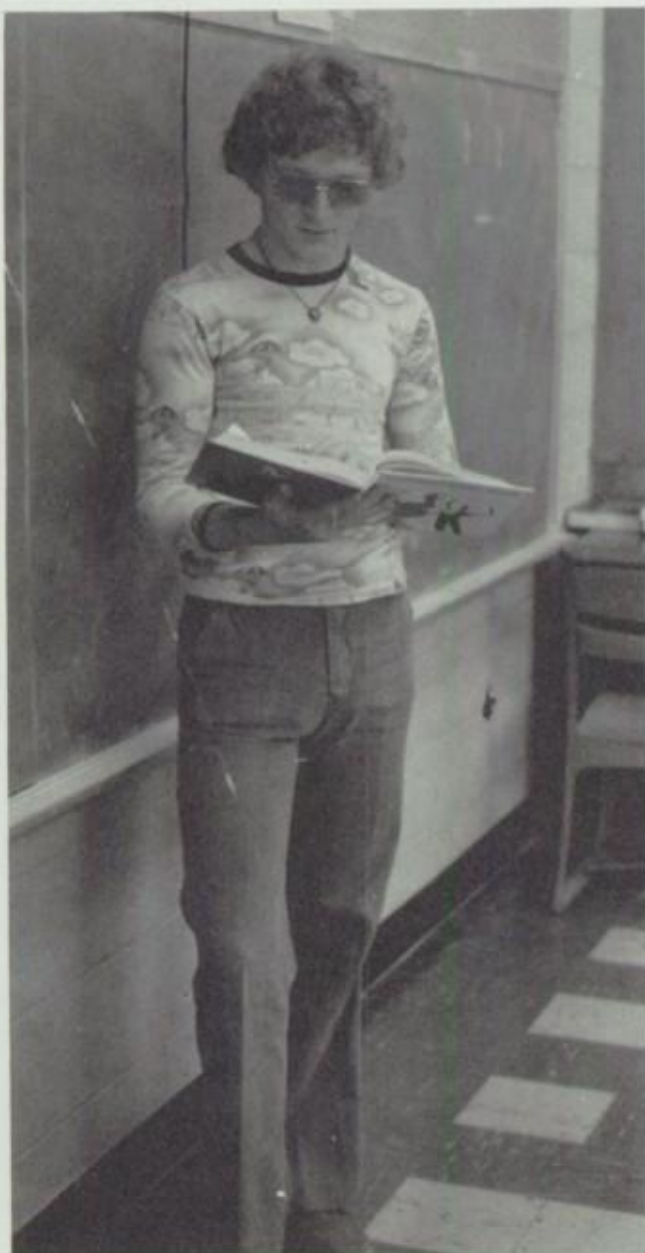

This year's Health Class had a field trip in which they traveled to New Castle's State Hospital and to Richmond where Greenacres is located. Here they were able to communicate, enjoy, and share their love and understanding with these handicapped people. The class feels that this was a good experience for both them and the people they were able to talk with at these hospitals.

During class sessions, Mrs. Eckhardt discussed the basic fundamentals of First Aid. They also studied the bones, muscles, and the interworkings of the human body.

Everyone has agreed that it has been a good year and most interesting. We're hoping for it to be as successful in the coming years.

The look of disgust!

This year Miss Wagner's classes have kept up with a very busy schedule. The Jr. High Classes have been studying values and goals then linking all this to their future family lives. They also made candy bars which they enjoyed. Foods I classes have been busy with bookwork before starting to cook while Foods II classes have

been working on menus and making quantity food production. They also studied why different foods are good for you and learned how to entertain and throw a party. Clothing II classes were very imaginative in designing their own patterns and then sewing them into that design. Housing classes designed their own house plans and

Spanish Emphasizes Communication Skills

L The Spanish classes that Mrs. Oliver has been teaching this year have really been busy. The nine-week course that some of the seventh and eighth grade students have been in taught them the names for parts of the body, articles of clothing, and things in the classroom. The Spanish I and II classes received new tapes and books this year. These aides help in learning basic construction, which will help students in communication if they

should visit a Spanish-speaking country. The few students who went to Spain over Spring break did think that these classes helped them to communicate. The Spanish II class went on a shopping spree in the Muncie Mall, during which they spoke only Spanish. This endeavor opened their eyes to some of the problems that a foreigner experiences when he visits this country.

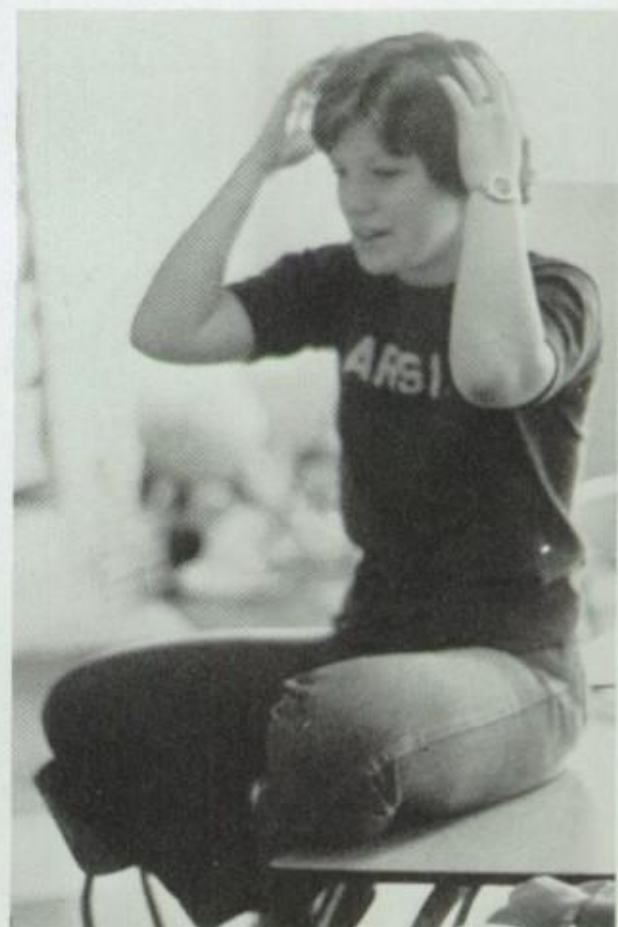

Sanity is not required for enrollment in a Spanish class.

Anita, Marnetta, and Dawn find that they can relax as they study.

Mrs. Oliver does not seem too happy with the results she gets while grading papers.

When there is nothing else to do in class, Dana always has a story to tell.

Latin Improves English Skills

Sharon and Vicki do not seem too happy as they conjugate Latin verbs.

This year, the Latin class has been learning more than a dead language. To make their work more interesting, they also studied the culture of Rome, investigating the subjects of the gods and goddesses, clothing, law and government, armies, diet, and entertainment. Learning to speak and write Latin has enabled these students to learn to use English better. Although Latin is not a language presently in use, it is similar to English and can help us to understand the mechanics of our native language.

For their next assignment, Patti and Lori find the definition of several Latin words.

Because Mrs. Teal had such a small class this year, she taught Latin in a more informal atmosphere.

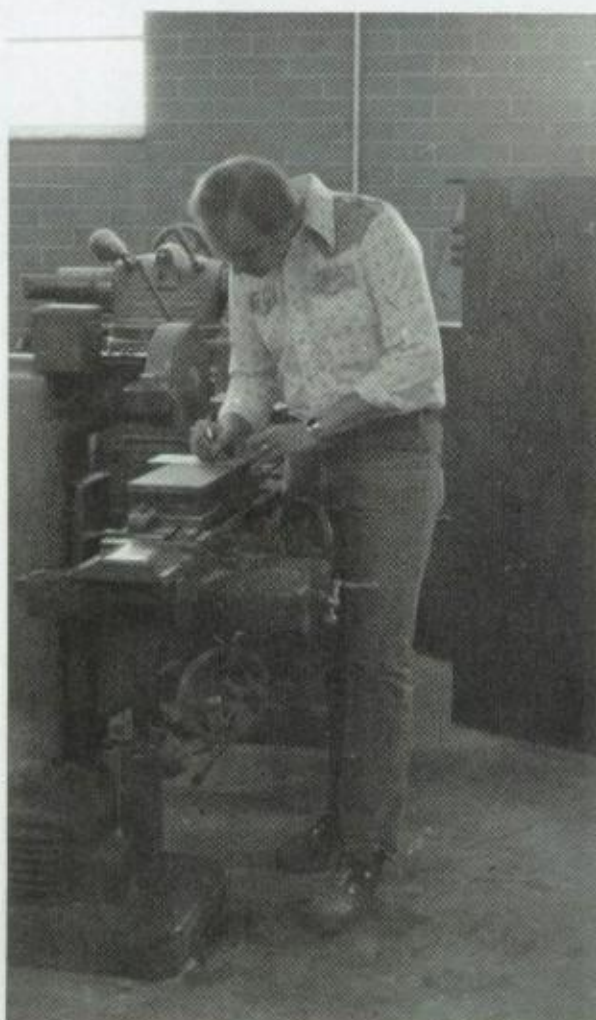

The Industrial Arts Department was very active this year. Students in the Woods I and II classes completed textbook work as well as turning out some nice project work.

Metals classes experienced welding, sheet metal fabrication, and foundry work. Plastics and Electricity offered students a chance to experiment with new materials and activities.

Drafting classes were occupied by students busily learning the tasks of the draftsman. The advanced drafting class also had the opportunity to construct a scale-model house completely from the ground up. Each area offers something different as far as materials, media, and experiences.

The seventh and eighth grade survey classes learned about the importance of industry in our society. Students developed an awareness of occupational opportunities through career papers and research assignments. Hand and machine tool skills were encouraged and developed.

Mr. Hall's class of Metals completed the methods of basic fastening, sheet metal, and metal finishing operations. This year's Woods class included basic and advanced hand tool skills, safety habits, maintenance of equipment, laying out wood, figuring board feet, and lathe work. It was a very successful year for everyone and we hope for the same accomplishments next year.

New Ideas Improve the Yearbook

Our Herff-Jones advisor, Larry Glaze, makes suggestions for Gary's Freshman layout sheet.

As she makes a collage for the yearbook, Vicki makes quite a mess.

Teresa stops her typewriter long enough to organize her material.

After our intrepid editor, Sarah Goolsby, and hard working photography staff returned from informative summer workshops, the '79 Memories staff was ready to assemble the best UHS yearbook to date. One of Sarah's many ideas was to have a special feature which was a full color Senior Class section. The Seniors paid half of this cost, so other expenses need not be cut. To earn money, the staff sponsored the first Yearbook Dance to hand out the '78 edition of Memories. After the fall ad campaign, the staff designed practice layouts to help eliminate costly "trapped white space". Other money-saving ideas were employed to insure that the students would get the best possible yearbook for their money.

Popularity of the Newspaper Continues

Is Kathy showing her age, her I.Q., or her shoe size?

The '78-'79 Rocket Write-Up staff was a young one, with editor Lora Hooper as the only senior on the staff. However, with the experience of their veteran sponsor, Mrs. Teal, the Write-Up staff continued to produce one of the finest school newspapers in this area. Even though the paper had many fine editorials and reports, the students' favorite features were the informative "Did You Know?" and "Onions 'n Orchids" Columns.

This year's staff went beyond their usual duties to do many innovative things for the school. At Sectional time, they printed a special "Booster Edition" of the Write-Up. The students and faculty members who donated a dime or more to the staff had their name printed in this edition. With some of this money, the Write-Up staff bought a new Flag to replace the old, waterstained one in the gym. The new Flag is the same size as the older one, but it is "weatherproof", so it should last longer.

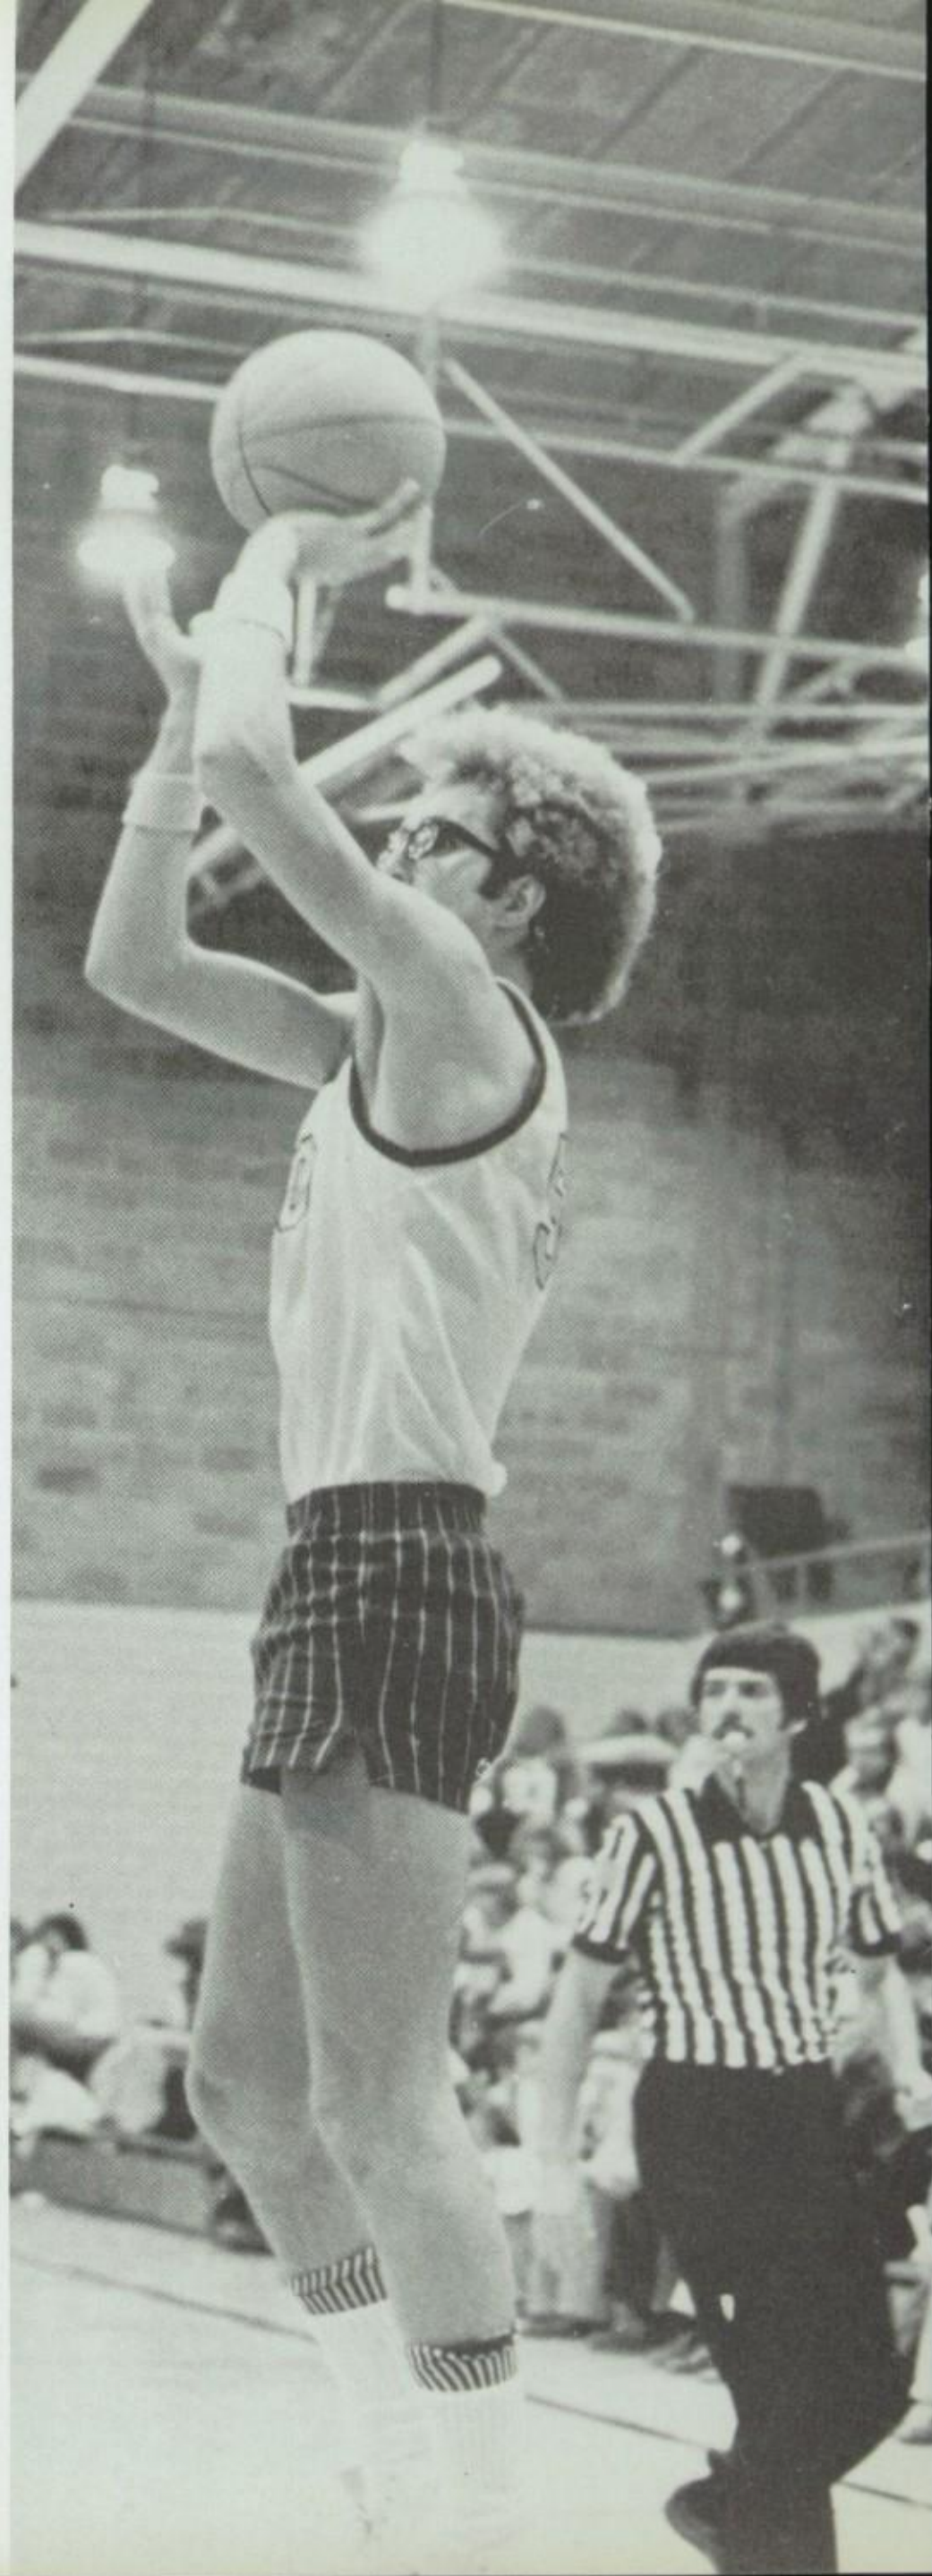

This year's staff kept busy to get most of their work in on time.

A newspaper is only as good as its sponsor.

Anguish, Experience, And Anticipation

Union entered the 1978-79 season with only one returning starter from the previous year. Several players had to assume starting roles for the first time. The team was led by seniors Mickie Burton, Troy Smith, Steve Goolsby, and Brad Houser. Juniors on the team were Pat Kennedy, Chris Shore, Bill Brown, Leon Clouse, Jay Pool, and Tim Fleener. Sophomores were Tracy Lanter and Ken Raby.

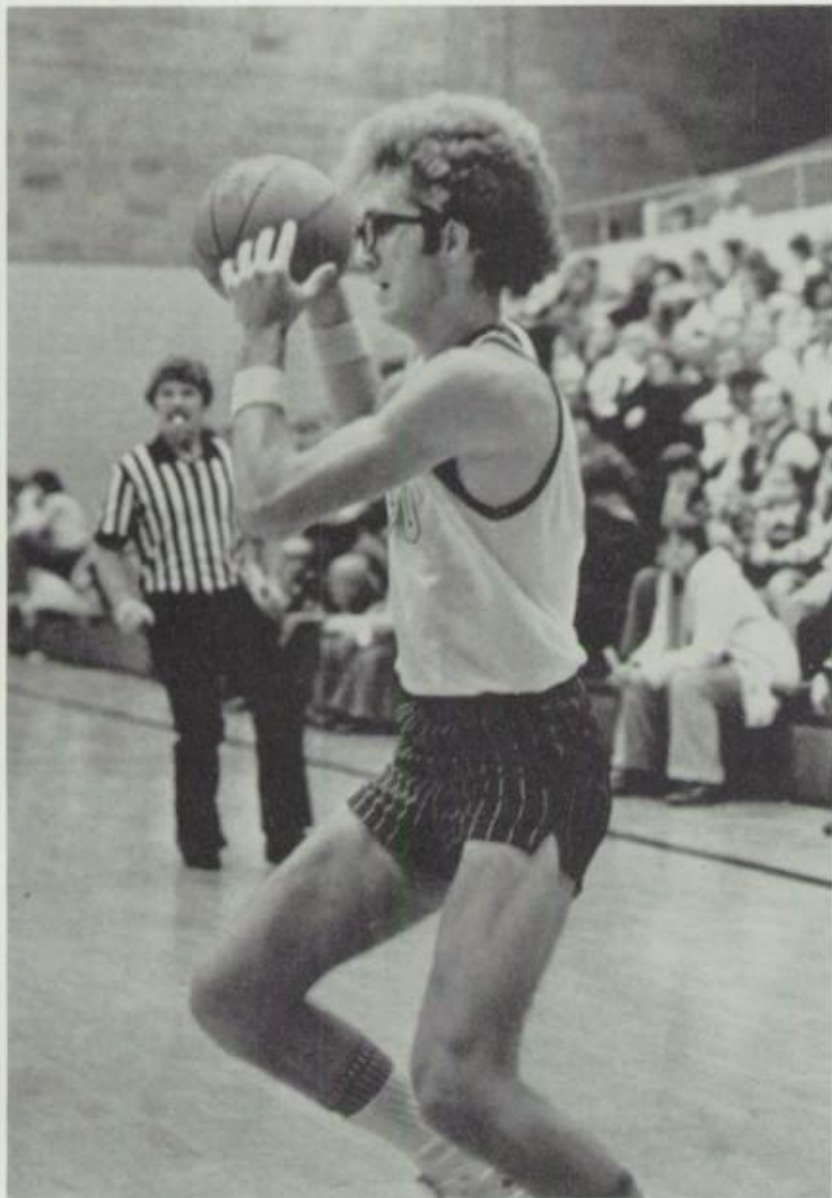

The year was filled with frustration and disappointment along with some high points. Union lost twelve games by less than nine points. There were three one-point losses, two overtime losses, a two-point loss and a three-point loss. This year's edition of the Rockets proved to be competitive with virtually every team they played but fell short of winning on several occasions. A combination of bad luck, inexperience, and strong competition prevailed.

Four seniors graduate but eight members of the sectional team will return. With hard work, dedication, and enthusiasm, the outlook for the future is optimistic.

Girls Have Exciting Year

The 1978-79 Girls Varsity Basketball team started off with a good start. They had a record of four and thirteen this year. The top scorer on the team was Beverly Lindsay. The team's victories were Cowan, Laurel, Union City, and Tri-High. Coach Carmichael and the girls are looking forward to a better season next year and in the future years at Union High School. Let's really support our girls next year and in the future and really show our appreciation and spirit for the hard work our girls and coaches are putting into basketball.

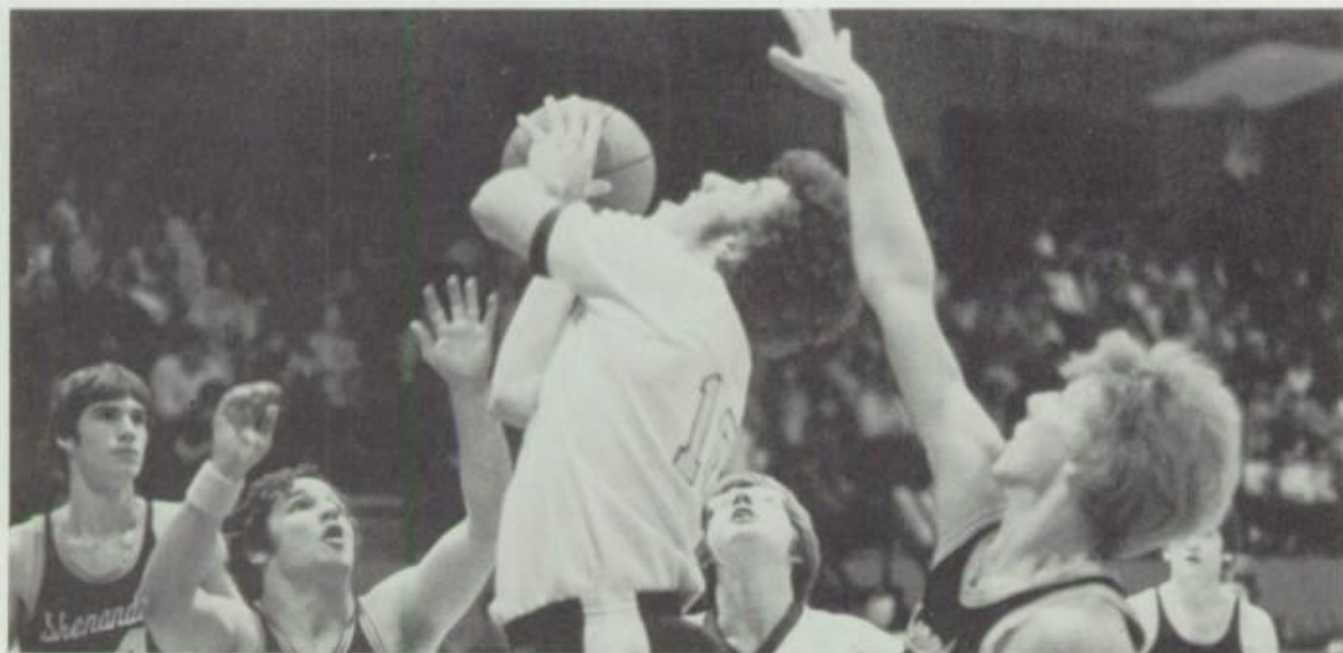

Tammy shows the proper form.

B-Team Prepares For The Future

Tracy goes up for two.

The 1978-79 Jr. Varsity Basketball team didn't have the best year ever, but they are looking forward to doing better next year. We do want to show the team our deepest appreciation for their efforts and Good Luck to them next year and in the years to come. There were five boys from this squad that dressed for Varsity. Keep up the good work Boys, and Coach John Hall.

KNEELING: M. Moore, S. Houser, D. Patterson, K. Raby. STANDING: Coach Hall, J. Brewster, E. Allamon, R. Clouse, J. Pool, T. Lanter, manager Bill Davis.

Leon for a dunk.

Where do I throw it?

New Team Has Good Year

This year was the first time Union has had a Girl's Basketball B-Team. The girls did an excellent job playing and giving emotional support to the Varsity. The top scorers for the team were Gwen Pangborn, Debbie Gruwell and Mary Knipp. The team had a four wins-eight loss record.

Many improvements can be made but all, in all, it was a good year and the girls gained valuable experience. Coach Mills and the entire school are very proud of these girls for their efforts and are looking forward to a good season next year.

The cheerleaders this year had a lot of fun and excitement. They started off the basketball season with a bonfire to pep up the ball players and students. They raffled off a turkey at one of the basketball games, for Thanksgiving. The money raised was used to help pay for the uniforms for the 1978-79 year. The seniors on the varsity

squad this year were Robin Cross and Kim Kennedy. They have both been cheerleaders all four years of high school. Junior Dana Cheesman and Sophomores Brenda Brown and Peggy Markum completed the squad. All of the girls did an excellent job. Good Luck to the up-coming cheerleaders.

Jr. High Looks Forward to High School

The Seventh Grade enjoyed a winning season under Coach Chastain. Ed Sexton was voted most valuable player, he led the team in scoring and rebounding. Keith Patterson was also very valuable and helped the team out a lot.

The team won several games and showed a lot of promise for the next year when they won the County tourney.

Mr. Terrell coached the Eighth Grade and was very proud of the team. Steve Sexton was a very important part of the team and Doug Shore was chosen most valuable player.

Senior Troy Smith, takes his usual running position.

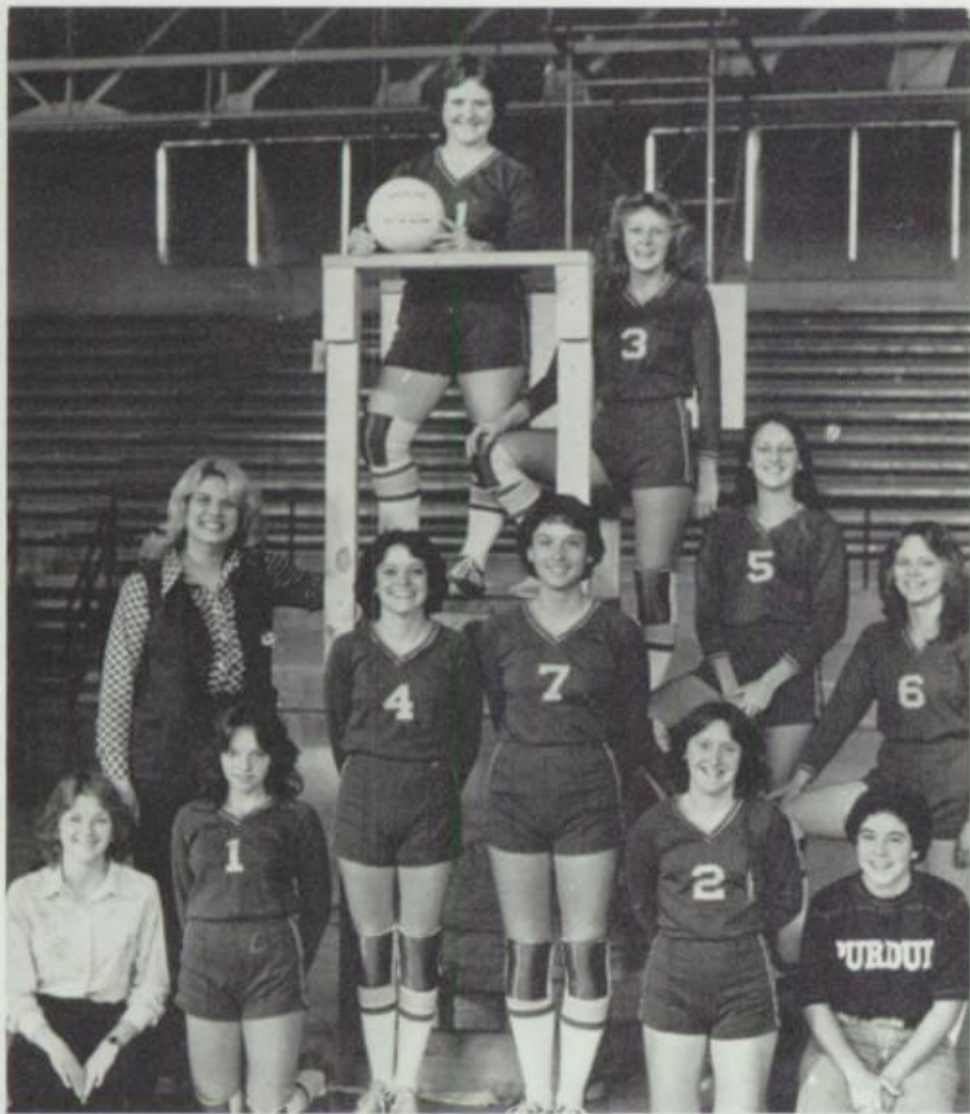

Junior Tim Fleener gives a whole hearted effort to win for his team.

The Union Cross Country team struggled through a long and tedious year. The highlight of the year was a seventh place finish in the Conference meet. Troy Smith, the senior on the team, ran first and showed much effort to win. Tim Fleener, a junior, was the number two runner. Both Tim and Troy had several good individual performances. Lack of experience and depth plagued the young Rockets all year with only seven runners. Although they lacked team size, all in all, it was a good year.

STANDING: Coach Dan Ross, M. Barnett, D. Sexton, L. Clouse, T. Smith, Manager D. Cheesman. KNEELING: J. Lamb, M. Hunt, T. Fleener.

Volleyball

Bump, Set, Spike!

The Varsity Volleyball team this year was a very enthusiastic group. Although they didn't always win, they were willing to donate lots of their time and energy to do the job for the team. Winning isn't always the best, but making the attempt is. The B-team also had a slow start this year. After they put things together they started a winning streak. They won their last four games in a row. They also were the underdog in the B-team tourney. After advancing to the final game for the championship, they were defeated.

Judy Culy shows the great "Junior" concentration.

Gymnasts Learn New Skills

THIRD ROW: Mrs. Eckhardt (Coach), R. Shore, J. Culy, L. Driscoll, B. Bell, L. Hershberger, B. Clevenger, Miss Wagner (Asst. Coach).

The Union gymnastics team did very well this year. This year they had the largest team ever. They won several of their meets, with numerous individual standouts. Coach Eckhardt hopes for many more promising years after the accomplishments of this year's young squad. Another factor the team was fortunate to have with them was an assistant coach, Miss Marie Wagner. We all hope that she helps next year.

Jenny Jones, a sophomore on the team shows much concentration and superb form.

Golfers Tee Off To A New Season

The Union Golf team had a very disappointing season as far as wins, but the team gained a lot of good experience and had a lot of fun.

A new record was set this year by the team's first man; Jeff King. Jeff shot a par (35), at Maplewood Golf Course. He also tied for 13th in the MEC held at Hickory Hills.

Steve Culy demonstrates that golfing can be a lot of fun.

Wrestlers Have Successful Year

The Wrestling team was led by Mark Fisher. He went to the Semi-State and was defeated in the first round. It is thought that the wrestling team will be better in the future.

Rocket Tracksters

The boy's track team only had twelve members, yet there were many individual accomplishments. John Hall coached the team and was very proud of their efforts.

The team worked for several weeks and it all paid off at the end of the year. The struggling team had a lot of talent but not enough supporting members. With luck, the team will have more power and will become a strong, winning team next year.

Does Tammy always run with her eyes closed?

A New Sport: Girls Track

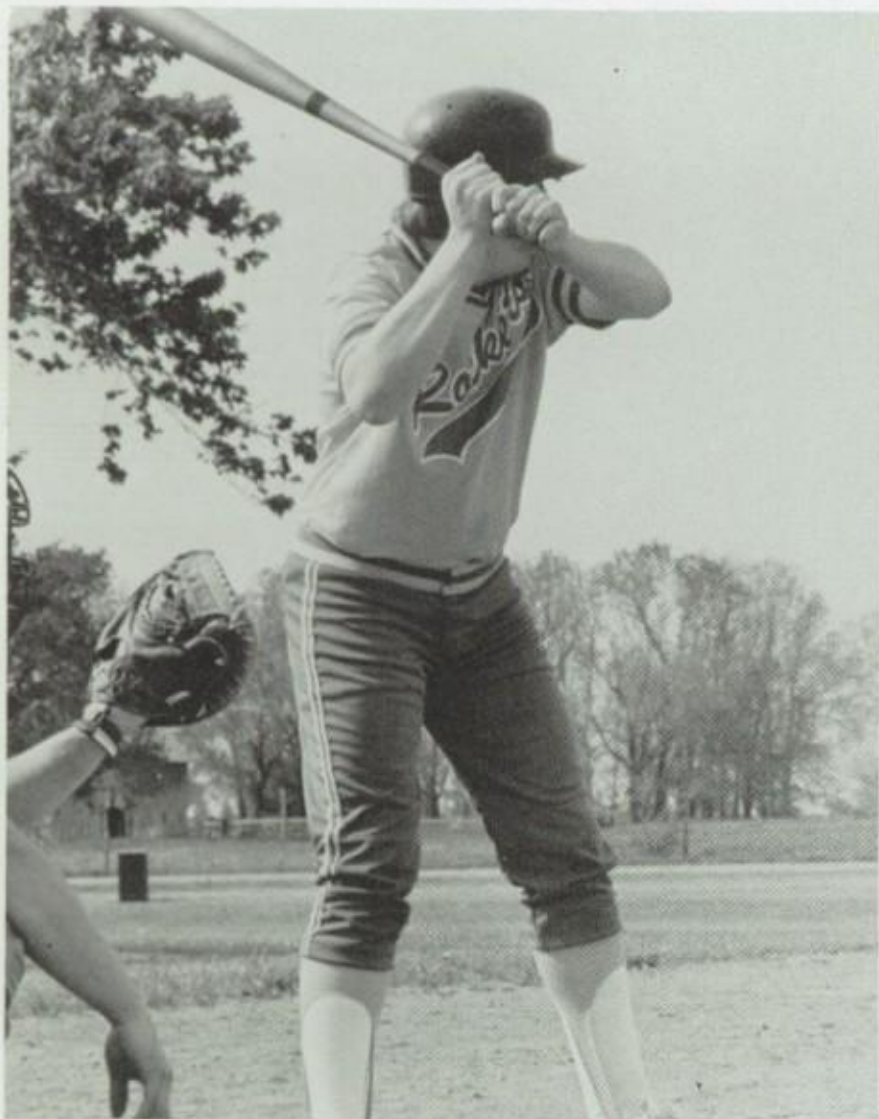

The girl's track team brought out many enthusiastic girl runners. They were very exciting and very good. The girls track team won two meets, their first two ever. Robin Cross qualified for Sectional in the long jump.

Coach Wagner pointed out that there were fifteen freshman on the team. With their experience there should be many promising years ahead.

ROW 1: C. Compton, C. Brumley, R. Cross, G. Pangborn, B. Lindsay, K. Conner. ROW 2: M. Knipp, T. Brooks, M. Bertram, P. Bickel, P. Giggs, L. Hershberger, K. Bertram, A. Williams, P. Usrey. Baseball Rebuilds For Future

Chris Mapes awaits the pitch.

Bill hopes to make contact on this pitch.

This year's baseball team had a slow start because of many rain cancellations. Yet they showed signs of a promising season with a double-header sweep of Blue River. They made a good showing at the Yorktown Sectional and also their Mid-Eastern Conference. They plan to have a good season next year, only losing one senior and gaining many new and promising young players.

Coach Stephen, Mr. Terrell and Evan look for the Umpire's signal.

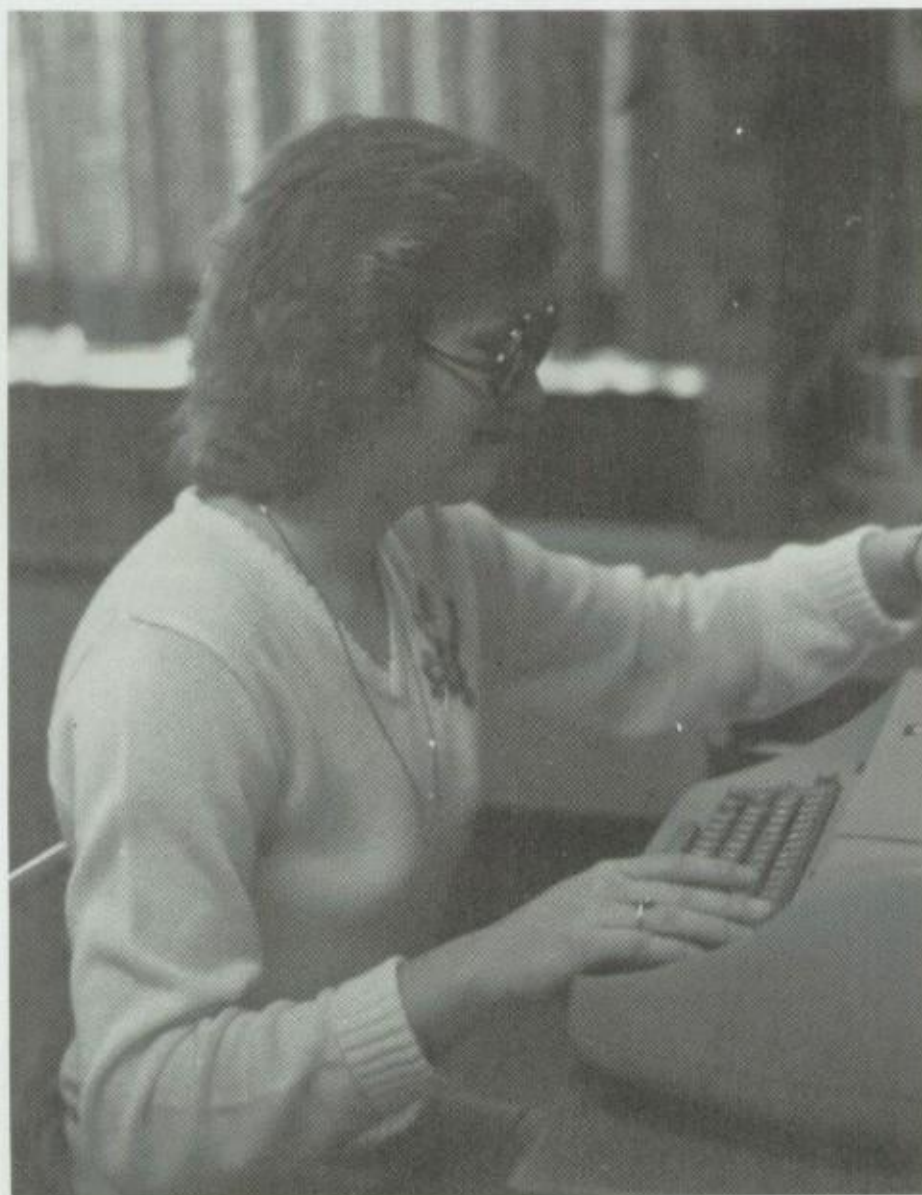

ROW 1: D. Shore (Manager), E. Allamon, P. Mapes, T. Bales, S. Hinshaw, A. Williams (Manager). ROW 2: T. Franklin, C. Shore, T. Swaim, C. Mapes. ROW 3: D. Bickel, D. Andrews, M. Burton, B. Brown, J. Sergent, Coach Stephen.

Tim Swaim eyes the target as he prepares to make the pitch.

Does Shawn have the steal sign?

PEOPLE

"As a whole, I feel very proud of the student body. Most of the students show respect toward their teachers and fellow classmates. There are a few students that occasionally need a hand to guide them."

Becky Clevenger

"I think the study body has a bad attitude toward school activities. More students need to attend the basketball games and different activities the school has. I just feel the students should have more spirit."

Marc Pegg

"I think the student body as a whole is great. Everybody seems to get along really well with everybody else. If anything could be improved, it would have to be our school spirit."

Delori Fisher

"I think the student body's attitude is poor toward many things like sports activities and stuff, but it has been getting better as far as school problems are concerned."

Anonymous

"I think the student body as a whole is great, although everyone has their differences once in a while. Perhaps we could be a little more friendly toward new people."

Kevin Barton

"I feel the student body as a whole is marvelous, with the exception of a few people. It could stand a few improvements in some areas, but most places are all right."

After Hours With The Faculty

There are several things that make up a teacher's day. There are lessons to be planned, last minute preparations before class, and answering questions. Teachers are human beings just like you and I. They have their own families and their own personal needs. They take part in the biggest part of our lives; they shape us as individuals. They are our friends as well as our teachers. Through the next few pages we hope to convey the idea that teachers are people, too.

SENIOR

"Being a Senior means that you're scared 99% of the time, because of what lies ahead."

Kim Kennedy

"It's fantastic! It's the best and most rewarding time in your years in school."

Lora Hooper

"Being a senior, I look back at my elementary days a lot. I think about the big change it was coming from the old Blountsville school to Union. It was another big step coming into Jr. High. It was scary at first, knowing I had classes with big kids. Then after ninth grade my school life was more comfortable. Now being a senior and knowing I'll soon be out in a great big world, with great big opportunities, I think it's the most scary time of all my school days. But I know I can make it, because I have friends to encourage me."

Rhonda Bainter

"Since I only go two hours a day it's really been great, I don't miss school too much but when I'm there it's a lot of fun."

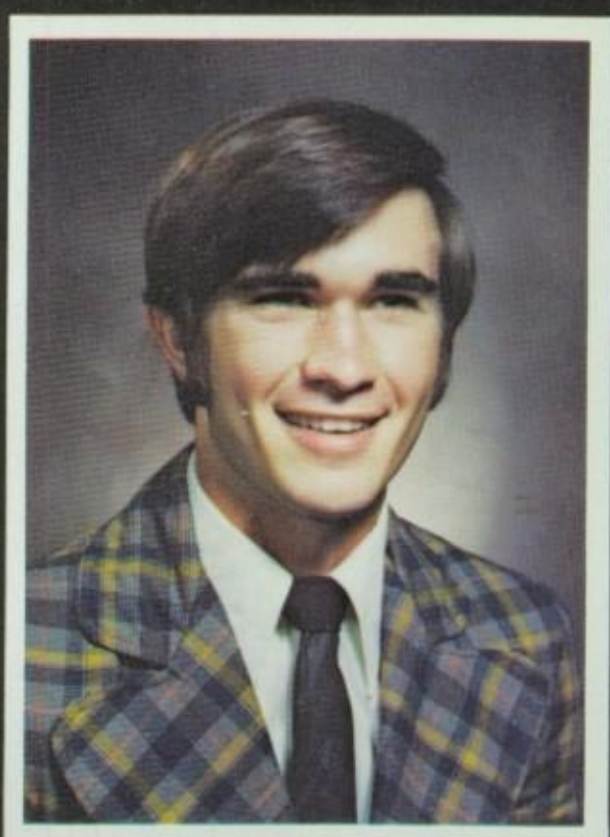

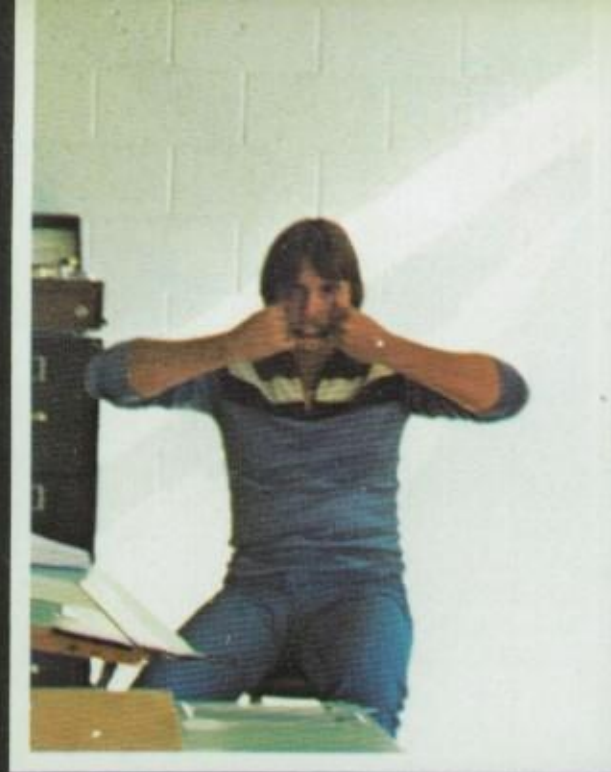

William Halstead

"It has been twelve long years, but I have enjoyed it all the way, especially this year, as a senior."

Thurston Johnson

"Being a senior is the most trying time of my life. It is here, where I make all the big decisions of my future. I can see everyone going their separate ways now. It's sad leaving everyone behind."

The Face Above

Green will come soon,
As light beaming from the moon.
And days glaring all so bright,
As the glare of the misty moonlight.
And in this light appears a face,
That we have seemed to lose in trace.
The figure stands alone and tall,
Like bricks piled high to form a wall.
But now we know the form's a she,
Not now knowing who it will be.
But the figure there will share its love,
Standing high and far above.
But some things happen—we see a
face,
And now we have the name to place.
'Cause the face above in glow and
shine,
Is the face we love of Laura Wine.

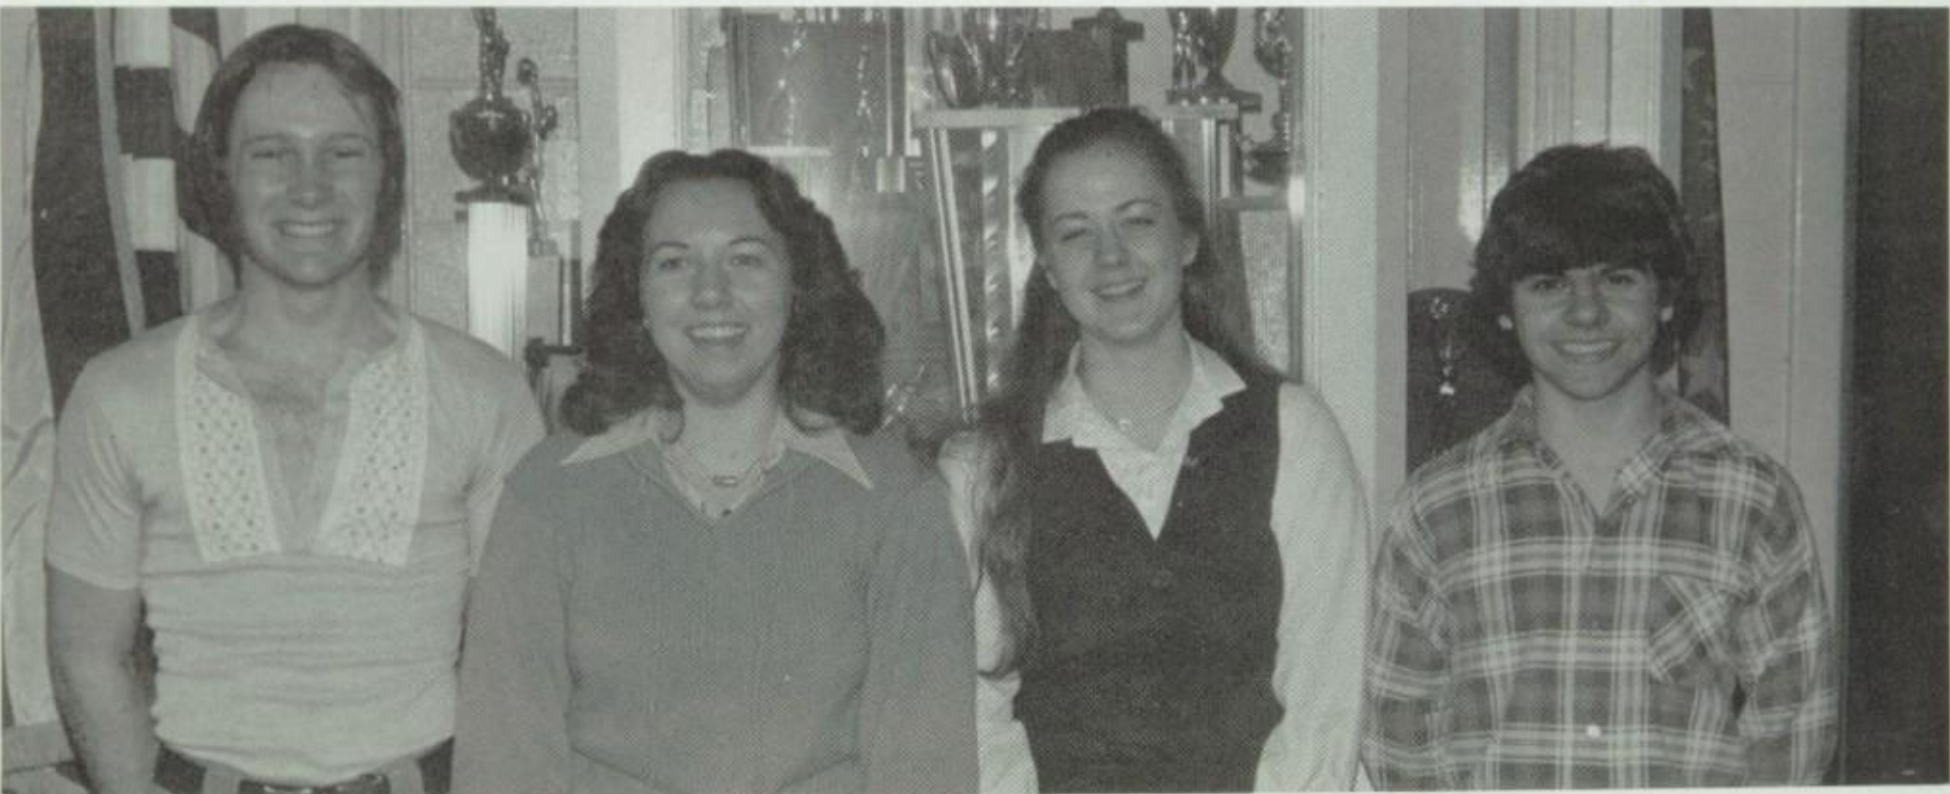

Laura June Wine

Laura June Wine
August 6, 1962-September
8, 1978 Laura was active in
Spanish Club, FHA, in the
Elementary Office, and as the
Gymnastics Manager.

Good-Bye
Why does it have to end?
Death is . . .
So sudden,
So definite,
So final.
It seems as if
We just said hello
And started our relationship
That lasted what we
hoped would be,
A lifetime.
But now,
Just as sudden . . .
Good-Bye.

ELEMENTARY

"This year's been great,
We had to say good-bye,
to '78 and say hello to '79.
Just wait till '80.
We'll be waiting."
Misty Terrell

"We made dinosaurs in Mrs.
Kistler's class and it was fun."
Stacy Williams

"We made a cabin in our
room."
Bryan Rodefer

"I think it was fun whenever we
had parties. Next year I'll probably
get into a lot of trouble."
Jana Cole

"We had a cookie sale and we
had a lot of money. One of our
friend's house caught on fire and
we gave her the money for clothes
and stuff. Sometimes I talk to her.
We sold a lot; we were going to
sell some to the high school but
the little kids got all of the
cookies."
Dion McGaughy

"This year I brought up my
grades. I'm good in some subjects
like spelling and social studies. I'm
looking forward to getting out of
school."
Cheryl Courtney

"Fifth grade has been fun
playing basketball and other
sports. It's been fun with all the
fifth grade teachers. With Mrs.
Wehneman, we made little
chimneys for the State Hospital
people and in Mr. Behnen's room
we made science projects and in
Mrs. Corey's we made safety
posters. This year has been really
fun."

Mr. Richard Hayes
"He was . . . 'a leader for whom God had other plans'."

Mr. Richard Hayes, the Union Elementary School Principal, passed away on Saturday, October 7, 1978.

Mr. Hayes began his work here during the 77-78 schol year. During the short time that he was principal, many improvements were made.

Mr. Hayes was born and raised in Hagerstown. He was a graduate of Hagerstown High School. At the time of his death he lived in Selma, Indiana.

He was an active member of the Elementary Principal's Association and the Wapahani School Board. He was Vice-President of the Liberty-Perry Waste District and a realtor for the Grove Realty Company.

OUR STAFF MAKES THE DAY EASIER

This year our staff has continuously contributed toward making our days here at Union easier. Mrs. Hill, our school nurse, provides us with the medical care we need and yearly sight, height, and weight check ups. Our janitors are also working readily to keep the school in its best possible condition with repairs and additions. The cooks, with the assistance of Emily Swaim and helper, keep the lunch-lines moving and provide us with a nutritious meal. The bus drivers transport students to and from school with great safety. These people provide us with their best skills and attitudes.

Emily Swaim, Head School Cashier; Judy Culy, Cafeteria Helper.

Mrs. Sue Hill, School Nurse.

CUSTODIANS: L. Anthony, V. Anthony, F. Johnson, J. Hernly, M. Wright, (Supervisor).

COOKS: SITTING: V. Terhaar, M. Nelson, E. Short. STANDING: B. Cook, K. Pegg, C. Howell, C. Himelick, K. Naylor.

BUS DRIVERS: SITTING: B. Funk, B. York, M. Norman, K. Haney, S. Harris, J. Patterson, J. Jones, J. Wright. STANDING: A. Lindsey, M. Shaffer, J. Jennings, H. Bumbalough, H. Shaffer, A. Oren, M. Short.

ADS

In order to have a yearbook or to do anything extra at school you need more money than the school can provide. Clubs and other organizations sell candy, glasses, magazines—you name it—to make enough money to buy uniforms, have banquets, or pay for group trips and parties. To make enough money to print a book we must turn to the community. We sell advertisements. Here is why some of the businessmen and women in our community continue to help support us.

"It's not so much for the advertisement, but just to help the school out, because it's the most worthwhile part of the community."

Blanche Shaffer

"We feel that we have a service needed by many of the students and parents of Union High School. We continually try to keep in touch with the community and are happy to do our part in helping such a worthwhile project as a record of the school year."

Rick D. Hunt

"We feel that buying an ad from the school is necessary if we intend to do our part in supporting the school. The yearbook is a school record book as well as a picture book and there is an essential need for money to print it."

What a bunch of hams!!!

Will the real Jeff please stand up.

Many students in the school complain of low ceilings.

Just think, one sneeze triggered all that.

The gymnastics team displays building a pyramid as one of their many talents.

Take that!!!

Looks like Jeff has his hand full.

This two-headed calf was brought in from Hooper's farm for study by some of the classes.

Elvis and the gang in concert.

I need a little help from my friend.

Did Randy really pinch Annette that hard?

Hey, get your act together!

Could a lunch line be boring?

I bet you can't.

A picture of a deep thought.

Surprise Mrs. Thornburg!!!

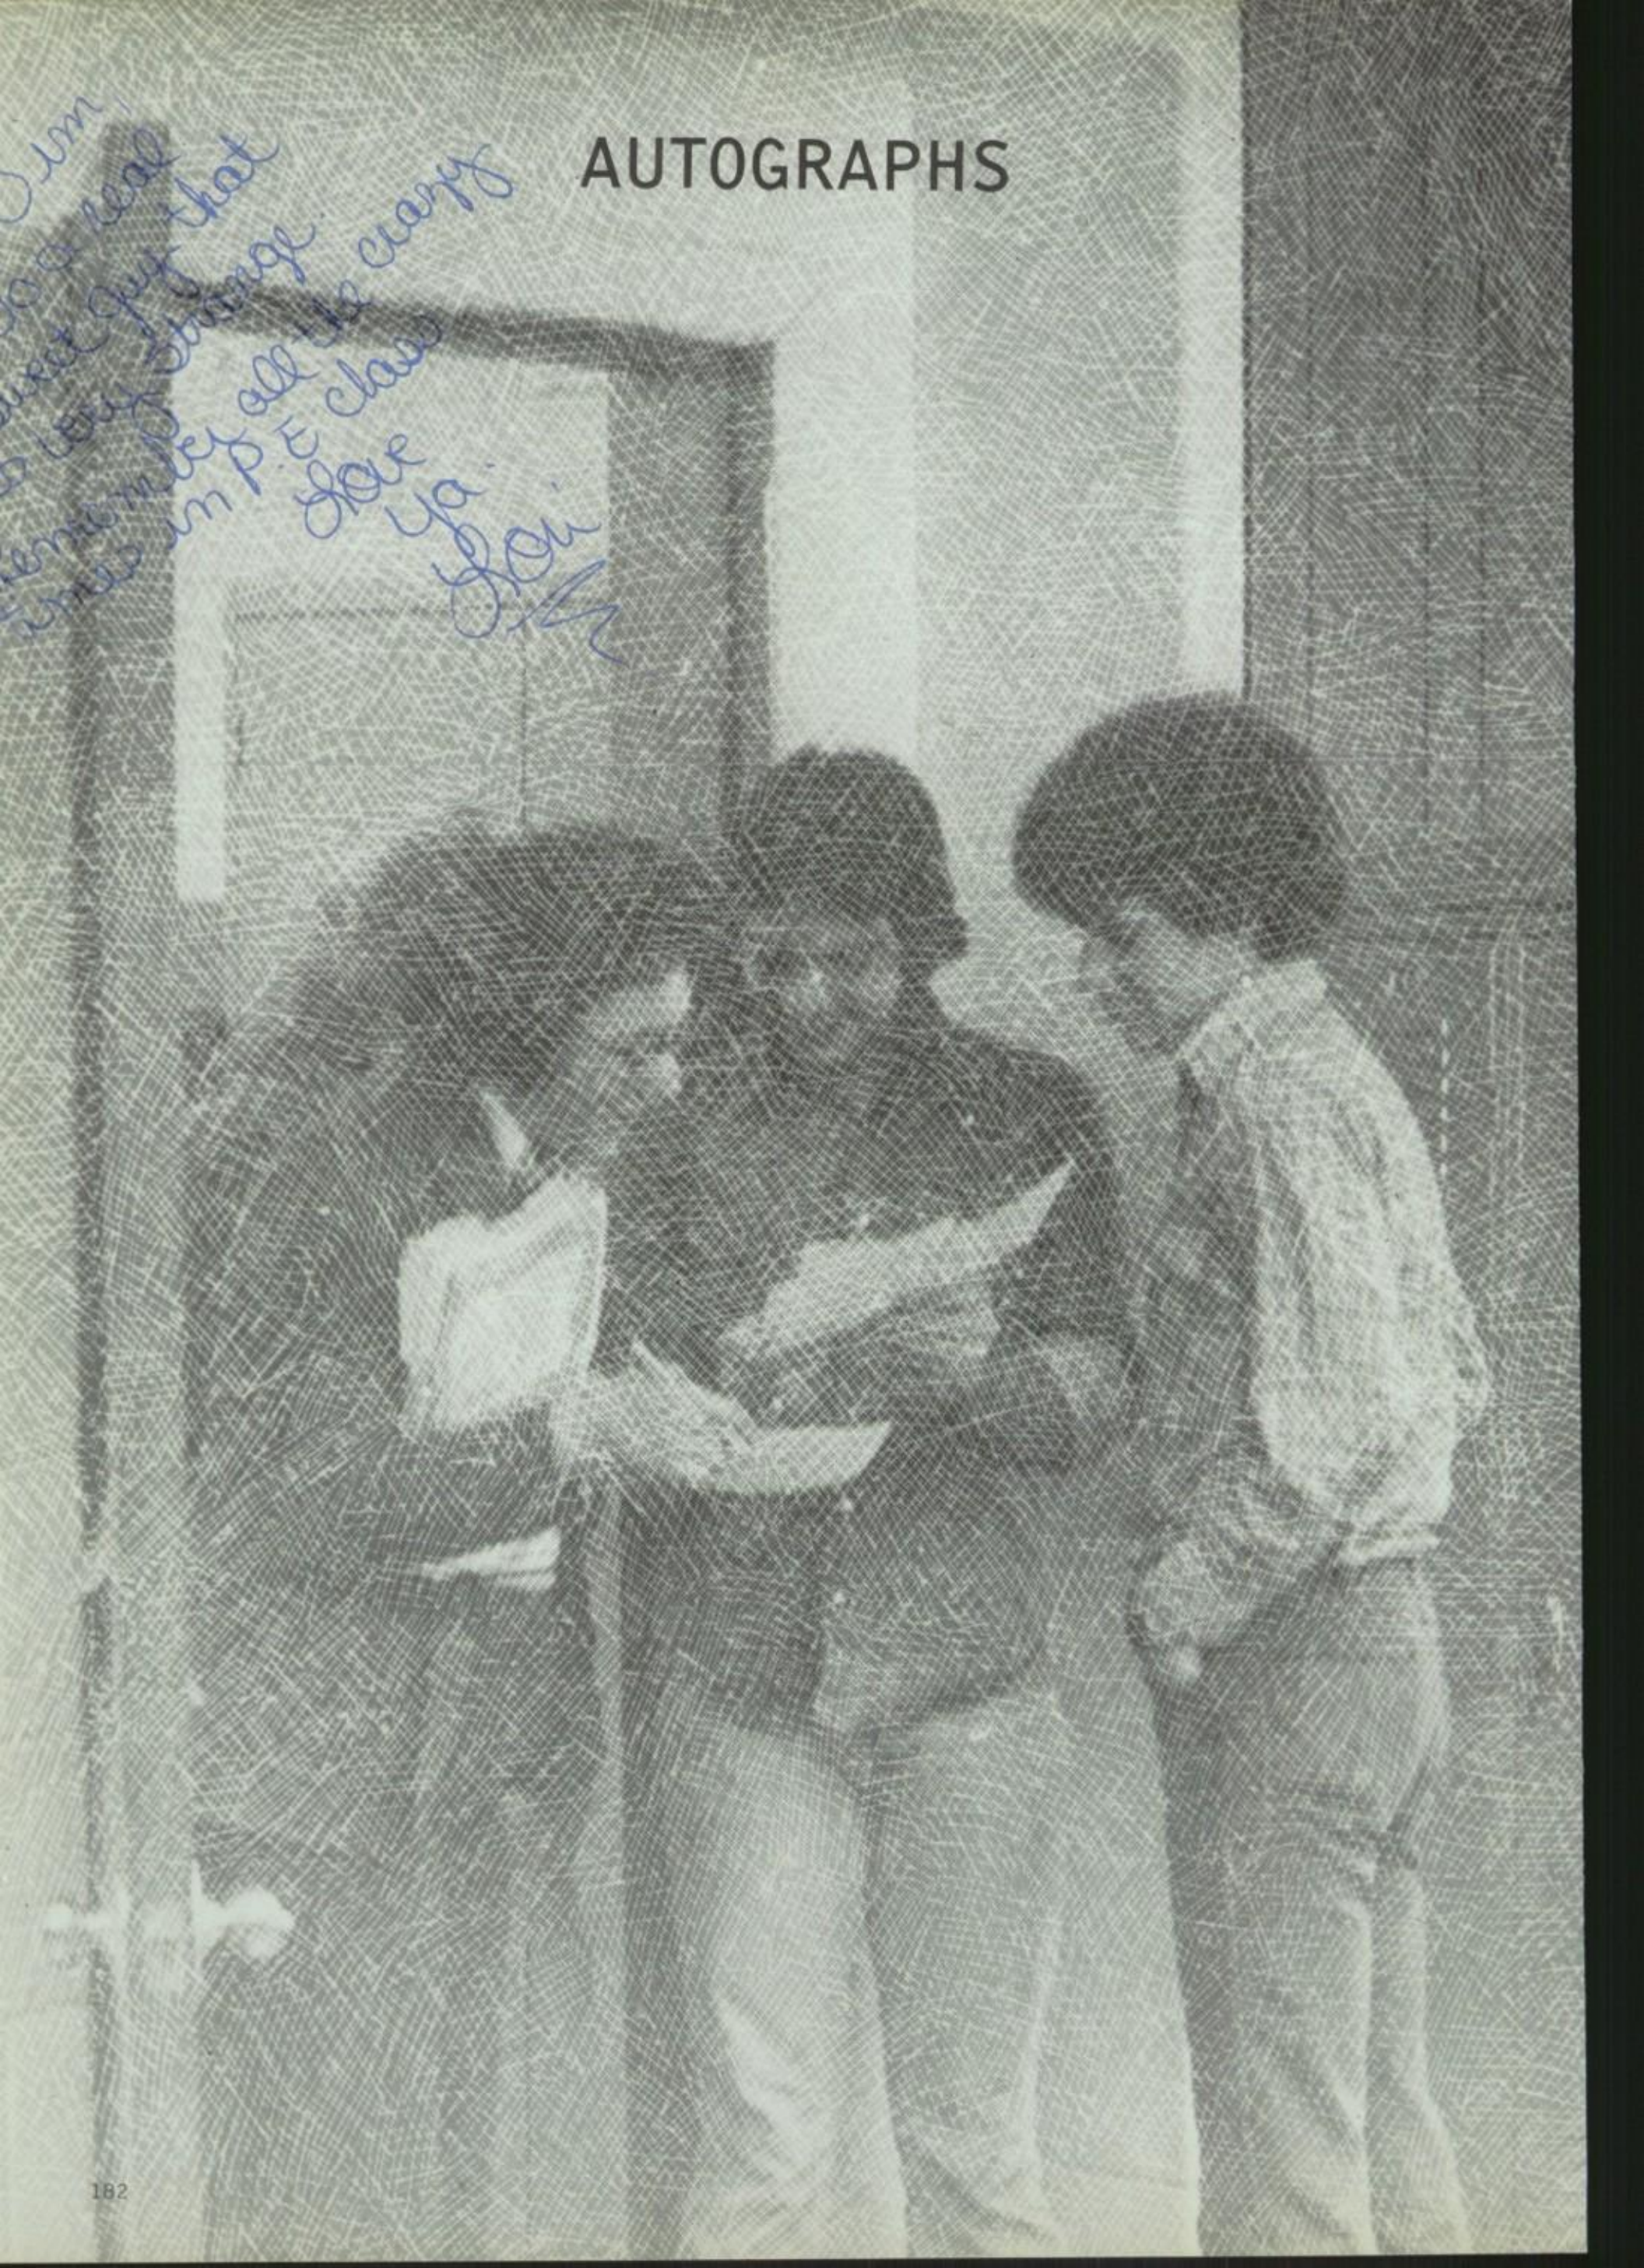

Your hair would do this too if you were in Journalism.

Hi, big boy!

Jim,
a real
sweet guy that
was always
remembered all the crony
times in P.E. class
Love
ya.

The Way We Saw It

The year is over now and we've been through the good times and the bad. As a graduate, I look back and realize I'll really miss coming to Union next year but I'm sure that some of the Freshmen wish they didn't have to go through the next few years. But, as most of us have learned, we must take things one day at a time and enjoy our high school days, because if we have rushed blindly through our high school years and when we think back—we will have realized that we've missed out on some of our best memories.

This year, as editor, has been a great challenge for me. I've tried to make this book more personal for you, the student body, and the faculty. I hope that my staff and I have succeeded in showing the school year the way we saw it.

Sarah Tolsby
